Vice Chancellor's Message

The current Covid-19 Pandemic has transformed the education system in an unprecedented manner besides transforming all other dimensions of human life. Amidst such a critical period, presenting the Admission Prospectus of the Central University of Jammu for the session 2021-2022 instills in me a special sense of fulfillment at the resilient and robust education scenario of our nation. What is noteworthy here is that although the pandemic posed insurmountable challenges for humanity, the year 2020 is epoch-making for its innovative recommendations in the National Education Policy (NEP) -2020, which has granted more autonomy to institutions and faculty members to design curriculum, pedagogy and assessment methods. Ostensibly, NEP-2020 gives impetus to thinking beyond the confines of established canon and disciplines.

Understandably, Prospectus serves as a document to gauge the amount of effort made at multiple levels in a University and it is indeed a matter of satisfaction that Central University of Jammu is steadily treading the path of progression and has carved a niche both in academics and research at the regional and at the national level. Currently, the University is offering 60 programmes: 22 Post Graduate, 23 research oriented, 04 Five Year Integrated Degree, 01 Four Year Integrated Degree, 03 Vocational courses, 05 Diploma courses under Community College, 01 Diploma course under Yoga Centre and 01 Certificate courses. Recently, the University has succeeded in establishing two Centres of repute organizations namely Satish Dhawan Centre for Space Science by ISRO and Kalam Centre for Science and Technology by DRDO with entire funding from the respective organizations. Moreover, the University is among the few Central Universities to have been sanctioned "Swami Vivekananda Chair" and "Swami Dayanand Saraswati Chair" by the UGC. The University has so far awarded 64 Ph.Ds, and 108 M.Phil. degrees. At present 208 Integrated M.Phil.-Ph.D./ Ph.D. scholars across 23 Departments/Centres are pursuing their research programmes.

In view of complete turnaround in teaching-learning process due to sudden forced closure of face-to-face teaching and educational institutions all over the world, the challenge of adapting swiftly to e-learning settings was handled with a proactive approach by the University. As this sudden change required universities to evolve toward online teaching, CUJ has been providing quality education in a scenario of digital transformation so as to accelerate change in educational framework. Besides such effective teaching-learning process, significant thrust had been laid on online seminars, webinars and talks so as to engage the stakeholders in academic debate and to deliberate over issues of contemporary relevance. A number of online webinars were organized by various departments of the University during 2020-2021.

The University faculty has been awarded prestigious National/International Fellowships, project funding and recognition and is constantly contributing to various governmental and non- governmental sectors through

research, consultancy and outreach activities. At present, more than 56 major/minor research projects of academic and social relevance are undertaken by the faculty members. The faculty members are able to mobilize 30 crores extra-mural funding from different funding agencies viz. National Board of Higher Mathematics, Department of Atomic Energy, GOI, SERB, UGC, ICSSR, DST, IUAC, M/O Textile, GOI, DeITY, GOI, MSME, GOI, M/O New and Renewable Energy, GOI, EDII, Ahmedabad, etc. Understandably, the academic rigour needs to be supplemented with state-of-the art infrastructure and facilities. The University has signed 24 National and 07 International MoUs, besides obtaining the membership of apex industry/academic bodies like United Nations Academic Impact, Confederation of Indian Industry, NHRDN, ISTD, AOITA, AIMA, ISTD, Jammu Chamber of Commerce and Industries, etc. The University has the distinction of signing a very exceptional MoU with CUHP, CUK, which is enhancing the mobility of students, the teaching faculty, also facilitating the transfer of credits, something unique and the first of its kind across the country.

Commensurating with the national agenda and local requirements for inculcating entrepreneurial skills among students and the local population, the University has established Institution Innovation Council and University Business Incubation Centre for fostering start-up culture. The growth of the University clearly reflects a visible upward graph in the area of teaching and learning, quality research and publication. The University possesses Faculty from all over the country and four round of selections have been completed to fill the vacant teaching and non-teaching positions. Many innovative proposals for increasing the educational opportunities in varied fields of specializations as submitted by the University are under consideration of various Ministries of the Govt. of India. The University is marching ahead to address all aspects of higher education and has also adopted five villages in the adjoining areas under Unnat Bharat Abhiyan as part of its social outreach programme. One School from each village is adopted for undertaking Capacity Building Programme for Teachers/Administrators and Students-Oriented Support Programmes under PMMMMNMTT. Other notable activities include: Quality Improvement measures; International Fellowships; Eminent Lecture Series; Faculty Induction and Development Programs; Maiden Convocation; Coaching Classes for Competitive Examinations; Leadership through Sports Program. The challenges must be seen as an elixir in the Higher Education Institutions which can be navigated through goodwill and cooperation of all the stakeholders: faculty, scholars, students and administrative staff. Optimism coupled with good intention and commitment is half the race won. With sustained effort, smart work, support, camaraderie and goodwill, the Central University of Jammu is all bound to attain new pinnacles of glory in the year ahead.

Jai Hind!

About the University

VISION

To be a leading Centre of higher learning, integrating culture, knowledge, philosophy, science and value system of our heritage with modern and emerging concepts, skills & technology and management practices.

MISSION

- Impart education which in its breadth and scope represents the three main symbols in our logo: iridescent like the rising Sun, immortal as the Banyan Tree and infinite like the Sky.
- Inculcate self-confidence which when combined with disciplined study, leads to faith in one's strength and conviction.
- Develop talent for sustainable growth in academics, administration, business and research by laying emphasis on organized thought and self-discipline.
- Encouraging inter-disciplinary focus, as also collaborative research with leading Institutions aimed at the optimum development of human resource and integration of new ideas and innovations.
- Provide a modern, environmentally sustainable, healthy and vibrant Campus in consonance with the principles of Green technology.
- Play participatory role in the affairs of the people of surrounding areas in particular and civil society in general.

Logo and Description

The Rising Sun, the Banyan Tree and the Infinite Sky are some of the most significant constituents of nature, epitomizing its essence and motivating the mankind to embrace a productive way of life, to acquire knowledge and attain peace and happiness.

These elements, each being an inspirational entity, have been arranged together into an emblem to represent the Central University of Jammu.

RISING SUN- The rising Sun in the backdrop of the Banyan Tree is emblematic of victory over darkness - the triumph of enlightenment over ignorance. The students shall abide in light, acquire knowledge and grow in wisdom.

BANYAN TREE- This part of the emblem proclaims that as the Banyan Tree filters impurities to provide pure air and proliferates through its prop roots, the University intends to resonate wisdom and knowledge, leading to organized thought and self-disciplined individuals through contribution and participation of its alumni.

INFINITE SKY- The vast canopy of the Infinite Sky filled with rays of the Sun denote the enormous expanse available for acquisition, growth and spread of knowledge; the soaring spirit as also an exhaustive domain for nurturing and flow of ideas.

University is an abode of boundless learning, knowledge and wisdom that paves the way to purposeful self-introspection, leading to individual growth and development.

To sum up, the Rising Sun along with the Banyan Tree and the Infinite Sky, truly reflect the values, aspirations, goals and ethos of the University as it seeks to usher in an enlightened society through vibrant, learned and empowered youth ready to adopt new ideas and emerging trends in the modern world.

MOTTO of the University implies that knowledge refines, purifies and sharpens the mind.
