

CENTRAL UNIVERSITY OF JAMMU

**ADMISSION BROCHURE
2018-19**

VISION

To be a leading Centre of higher learning, integrating culture, knowledge, philosophy, science and values system of our heritage with modern and emerging concepts, skills, technology and management practices.

Mission

- Impart education which in its breadth and scope represents the three main symbols in our logo; iridescent like the rising Sun, immortal as the Banyan Tree and infinite like the Sky.
- Inculcate self confidence; which when combined with disciplined study, leads to faith in one's strength and conviction.
- Develop talent for sustainable growth in academics, administration, business and research by laying emphasis on organised thought, self-discipline and discriminative faculty.
- Encouraging inter-disciplinary focus, as also collaborative research with leading Institutions aimed at the optimum development of human resource and integration of new ideas and innovations.
- Provide a modern, environmentally sustainable, healthy and vibrant Campus in consonance with the principles of Green technology.
- Play participatory role in the affairs of the people of surrounding areas in particular and civil society in general.

Logo and its Description

The Rising Sun, the Banyan Tree and the Infinite Sky are some of the most significant constituents of nature, epitomizing its essence and motivating the mankind to embrace a productive way of life, to acquire knowledge and attain peace and happiness.

These elements, each an inspirational entity, have been arranged together into an emblem to represent the Central University of Jammu.

RISING SUN- The rising Sun in the backdrop of the Banyan Tree is emblematic of victory over darkness - the triumph of enlightenment over ignorance. The students shall abide in light, acquire knowledge and grow in wisdom.

BANYAN TREE- This part of the emblem proclaims that as the Banyan Tree filters impurities to provide pure air, proliferation through its prop roots, the University intends to resonate wisdom and knowledge, leading to organised thought, discriminative faculty and self-discipline through contribution and participation of its alumni.

INFINITE SKY- The vast canopy of the Infinite Sky filled with rays of the Sun denote the enormous expanse available for acquisition, growth and spread of knowledge; the soaring spirit as also an exhaustive domain for nurturing and flow of ideas.

University is an abode of boundless learning, knowledge and wisdom that paves the way to purposeful self-introspection, leading to individual growth and development.

To sum up, the Rising Sun along with the Banyan Tree and the Infinite Sky, truly reflect the values, aspirations, goals and ethos of the University as it seeks to usher in an enlightened society through vibrant, learned and empowered youth ready to adopt new ideas and emerging trends in the modern world; eager to face the resultant challenges.

MOTTO

MOTTO of the University बुद्धिर्ज्ञानेन शुद्धयति implies that knowledge refines, purifies and sharpens the mind.

From the Vice Chancellor's Desk

The Central University of Jammu was established through the Central Universities Act, 2009 and is fully funded by the Central Government. In about five years of establishment, it has sprouted into a vibrant and an enthusiastic institution, determined to take on the challenges emanating from rapidly changing academic diaspora across the globe.

The higher education in the country has navigated itself on to liberal path accommodating diverse needs and aspirations of the learners' community. Being strategically located, the Central University of Jammu has to become a focal point for wider academic, intellectual, lingual and cultural interactions with nearly 15 divergent regions of the country.

The University now offers 5-year integrated (UG/PG) programmes, various P.G. and Ph.D. programmes in almost all its schools. It has adopted Choice Based Credit System besides introducing Vocational Courses like B.Voc.in Tourism Management, Retail Management and Diploma in Beauty & Wellness based on National Skill Qualification Framework (NSQF). The sector skill councils are partners in sharing professional knowledge with our students. Experts from Corporate Sector and Entrepreneurs regularly visit for interactions with the students for strengthening industry - academia interface.

The University has well established computer labs and a rich automated library containing diverse online journals. Wi-Fi facility is being provided to the students.

The classrooms are e-friendly and evaluation of students by teachers is a continuous process so as to enable the students to know their academic progression.

The CUJ has made a significant progress in terms of national and international networking by signing Memorandum of Understanding (MoUs) some of which include MoUs with Melbourne University, Institute of Chinese Studies, Central Universities of Himachal Pradesh and Kashmir, Administrative Staff college of India, NASSCOM Foundation for student and faculty mobility. The CUJ faculty has been awarded prestigious National Fellowships, project funding and recognition and is constantly contributing to various governmental and non-governmental sectors through research, consultancy and outreach activities. The students have also won accolades in national level academic and extramural events. The University strictly adheres to an academic calendar for ensuring smooth completion of programmes in stipulated time. I feel encouraged in sharing that the contemporary pedagogical transactions are given priority so that students can constantly enrich their talent and aptitude through variety of multifaceted activities.

The University started 8 new programmes from academic session i.e. 2016-17 viz., Botany, Zoology, Molecular Biology, Chemistry, Physics, Material Sciences and Technology, Marketing Management and Comparative Religions and Civilizations. These new programmes should enable the students to seek admission into emerging field of specializations offering challenging job opportunities and career prospects.

The new campus is coming up on fast track with modern state of the art facilities on sprawling 610 acres of land. Ten departments are already working from main campus and three more are likely to be shifted in coming academic session besides offering an eco-friendly environment for academic and research pursuits. Ten departments viz., Department of Environmental Sciences, Department of Educational Studies, Department of Computer Science & Information Technology, Department of Social Work, Department of English, Department of Mass Communication and New Media, Department of National Security Studies, Department of Public Policy and Public Administration, Department of Hindi & other Indian Languages and one centre viz., Centre for Comparative Religion and Civilizations are already working from the main campus.

It is my pleasure to invite you to join us in creating an institution of excellence for promoting learning that would enable students and scholars to pursue their academic and career pursuits which should prepare them to contribute in enduring peace and prosperity of our nation.

Salient Features of the University

Guided by the reforms agenda in higher education and learning from the experiences of the best universities of the world, the University has introduced a number of innovations as detailed below:

Semester-Based Academic Calendar

All academic programmes of the University, Masters’ Degree and Ph.D programme shall be held as per UGC guidelines and designed at par with global practices in terms of effective number of teaching days and teaching – learning inputs. All admitted candidates in Ph.D programme in concerned subject will have to undergo coursework of six months duration.

Programmes Based on Comprehensive Choice Based Credit System

The University has introduced Choice Based Credit System (CBCS) as per UGC guidelines.

Innovative Approach in Designing Programmes of Studies

The Programmes of Studies offered by the University have been designed with an objective of making students globally competitive in their respective fields. The focus is on the ‘Learner-Centred Approach’ as opposed to the conventional ‘Teacher-Centred Approach’ to accommodate learner’s needs and expectations to have wider choices in content, mode and pace of learning.

Inter-disciplinary Programmes of Studies

The Teaching Departments of the University are designed around basic disciplines to enable faculty members to focus on their specialized areas of research. Each Programme of Study of the University is inter-disciplinary as the student is empowered to accumulate required number of credits from a wide variety of courses offered by other departments of the University also.

Evaluation Process for all Academic Programmes

Students in all Programmes of Studies across disciplines and at all levels are assessed through Continuous Internal Assessment based on quizzes, assignments, independent works, group work, mid-semester and end-semester examinations. Each Department offers minimum four activities out of a list of activities to assess the performance of the students through wide variety of activities under continuous Internal Assessment. The evaluation process comprises the following:

Continuous Internal Assessment	-	25%
Mid-Semester Examination	-	25%
End-Semester Examination	-	50%

Ph.D. PROGRAMMES

The University has full time/part time Research Degree(RD) Programmes that aims at sharpening the research skills, grooming teaching abilities, producing quality research publications and proactive participation in seminars/conferences.

ACADEMIC INFRASTRUCTURE OF THE UNIVERSITY

Classrooms and Lecture Theatres

The University has adequate number of classrooms and lecture theatres to cater to the present needs of the various Programmes of Study. The Classrooms are well furnished and equipped with requisite multimedia aids for teaching.

Library

The University has fully automated library. The library is stacked with adequate number of books, journals and reference materials related to the various disciplines/programmes of study offered by the University.

Internet & ICT Labs

The University is equipped with seamless Wi-Fi connectivity and students can access the Internet through their own laptops from anywhere in the Campus. The University also has three state-of-the-art ICT Labs equipped with high-end PCs loaded with necessary software accessible to the students of all programmes of studies offered by the University.

University Business Incubation Centre (UBIC)

The University Business Incubation Centre (UBIC) has been set up in Year 2015 under the aegis of Innovation, Incubation and Entrepreneurship Council sponsored by M/O MSME, GOI to foster a culture of entrepreneurship amongst students as well as local population. The aim and the focus of the Incubation Centre is to nurture innovative ideas for commercialization and provide infrastructural support to incubatees.

UBIC nurtures the innovative ideas of existing and prospective entrepreneurs' in emerging innovative ventures by providing necessary mentoring, promoting IP ecosystem and providing entrepreneurs a platform to commercialize their ideas besides helping to raise the seed capital from different financial institutions at subsidized rates and IP protection. Also, Campus Start up track has been initiated for promoting innovation. In this line, Rs 25000/- cash prize has been announced by UBIC for promoting best innovative idea having commercial relevance. In order to create an awareness about entrepreneurship and sensitizing students about various schemes of GOI a Lecture Series has been initiated by the UBIC and UIC wherein experts from diverse fields along with successful entrepreneurs are invited to deliver a lectures.

Industry-Academia Interface

The University has signed MoUs with industry, reputed Institutes /Universities within the country and abroad which include MoUs with Chamber of Commerce and Industries, Jammu, VLCC, NASSCOM Foundation, New Delhi, Ashray Incubator, Ahmedabad, ASCI, Hyderabad and the University has also obtained membership of apex industry bodies' viz. ISTD, IAOTA, CII, NHRDN, AIMA, United Nation Academic Impact (UNAI) etc. This linkage has led to creating a strong industry-academia interface for the benefit of the students and faculty. The University has initiated

eminent lecture series wherein prominent personalities who have contributed in their respective fields are invited periodically for interaction with students and faculty.

The University recently organized a Three Day HRD Congress with an objective to strengthen the links between University and Corporate Houses. The event witnessed participation of industry leaders from almost 30 corporate(s). Keeping in view the restricted industrial exposure for students of the State the event not only provided the platform to the students of CUJ but also to other academic institutions of the region. Through this event the University was able to provide corporate guidance and training for students and faculties across the disciplines. Furthermore, through HRD Congress the University was able to generate training, mentorship and placement avenues for faculty and students respectively.

The University has also initiated a unique “Corporate Immersion & Leadership Development Programme” with an objective to sensitize the professionals towards the grass root level understanding of industry that attempts to connect classroom learning with real time environment.

Co-Curricular Activities

Facilities for sports and other co-curricular activities are available at the University Campus. These include outdoor games such as volleyball, badminton and basketball. Besides, facilities for indoor games like table tennis, chess and carom are also available.

NSS Activities

The National Service Scheme (NSS) Unit was created in the Central University of Jammu in 2015 in order to engage students in the co-curricular activities such as community development and awareness programmes and has enrolled more than 120 volunteers from various departments of the University. It has organized various activities, Blood Donation Camp, Visit under PRA (Participatory Rural Appraisal), Participation in Youth Festival, Republic Day Celebrations, Digital India Workshop etc.

Gymnasium

The University has established fully equipped gymnasium in both Campuses for the health benefits of the staff and students of the University.

1. Faculty Rooms and Cabins

Faculty has well equipped IT-enabled cubicles and work stations providing them all facilities for pursuing academic and research activities.

2. Seminar Hall

Well-equipped Seminar Hall in the TAB with a seating capacity of 170 has been created. The Committee rooms have been established at main campus for meetings, Seminars, Academic activities etc.

3. Healthcare

Medical facilities of in-house Doctor have been made available for the students, staff and faculty of the University at both campuses.

4. Canteen/Cafeteria

The University has a spacious, airy canteen where students and teaching faculty get an opportunity to relish the neat and clean eatables prepared under hygienic conditions at its campus.

5. Hostels / Halls of Residence

The University has three girls and one boys hostel. Hostel facilities are provided for students on the basis of merit and distance.
