

Friday 23rd March

University health centre ,Central University of Jammu in collaboration with Shri Mata Vaishno Devi Narayana hospital katra organised a free Medical camp at main campus . Specialists from Gyanecology and Orthopaedics department examined patients which included students ,staff and faculty .Apart from treatment , patients were also advised to inculcate healthy lifestyle to prevent various non communicable diseases .

University Health Centre and Narayana hospital katra in thier endeavour to provide quality healthcare to patients decided to hold such camps in future including holding a mammoraphy screening camp and imparting BLS training to students.
