

The Vice Chancellor of Central University of Jammu, Prof. Ashok Aima will be visiting China as part of an Academic Delegation accompanying President Shri. Pranab Mukherjee's state visit to China from 24-26 May.

It is expected that CUJ will enter into a MoU with Lanzhou University of China for fostering academic exchange and partnership for furthering research. Both universities have identified that there is enough potential for partnership in creating a world class academic infrastructure in the field of science and technology and humanities.

As part of its internationalisation of education, the CUJ aspires to collaborate with leading Universities around the world.

It is proud moment for the CUJ to be part of this endeavour as it is the one among the only two Central Universities shortlisted. The signing in ceremony will be held on 24 May 2016 at the Peking University, Beijing in the presence of Honourable President of India. Prof. Ashok Aima will be speaking at the Round table discussion between Indian and Chinese academia on themes related to innovation, globalisation of education and the need for sharing of knowledge.

Institute of China Studies (ICS), a New Delhi based Think Tank supported by Ministry of External Affairs was instrumental in making this joint venture possible.
