\*API Score claimed by Dr Meenu is 660 but verified by the Scrutiny Committee is 185 because the committee could not consider her API Score for her online publications as she has not attached the objectivity verifiable documentary proof for the same. Further her claim regarding the Ph.D supervision is also not clear and it needs to be substantiated with the following documentary proof:

- i. Ph.D. Supervision and award proof is required.
- ii. Need to produce the evidence regarding the approval as Ph.D supervisor by BMU-Rohtak, when she was serving in SSJGC-Sirsa.
- iii. Registration letters of Ph.D. scholars who have submitted and awarded the Ph.D. degree under her supervision.
- iv. Need clarity on how it was possible that she joined the BMU-Rohtak in Sep 2015 and Ph.D. under her supervision was submitted in Nov 2015.
