

Digital India Workshop - 5th March, 2015

The NSS Unit of the Central University of Jammu was selected among 20 universities across the country to organise University level workshop on Digital India by the National e-Governance Division (NeGD) of Ministry of Information

Technology, Government of India. The workshop was conducted in collaboration with J&K Govt. IT department. The aim of the workshop was to:

Generate/enhance awareness about Digital India; Train NSS volunteers on Digital India and related schemes/services; engage students in Digital India activities and spread messages among academia and citizens; Create a pool of Digital India Volunteers to engage them with DI related activities. Sh. Hridesh Kumar Singh, Secretary, IT Dept, Govt of J&K, graced the occasion as chief guest. Ms. Barnalli Mukherjee and Mr. Ajeet Kumar, representing Ministry of information Technology, Government of India were also part of this workshop. Guests and dignitaries from many established institutions from within and outside the state attended the workshop. As many as 260 NSS volunteers attended the workshop and were trained about various provisions of **Digital India Programme**.
