### About the Workshop

The workshop is organized to make the teachers competent and skilled in using the process of action research both at school and at higher education levels. Following are the Objectives of the Workshop :

- To enable teachers to become competent in innovatively used action research to supplement their teaching methods and thereby achieve enhanced student learning;
- To enhance problem-solving attitude among teachers and principals for studying the problems of students.
- To provide an overview and understanding of action research and its application in a real classroom setting.
- To give an insight into a series of problems faced by teachers during the teaching-learning process.
- To improve participants' awareness of the potential of action research to enhance teaching and learning across the curriculum.
