Dr. Ashok Kumar

Dr. Yogesh Kumar

Dr. Samantha Vaishnavi

The Board considered the students' appeal, and the fact that as per UGC guidelines the total credits required for award of Degree are 140, while the students from the mentioned batch have already earned 146 credits. Furthermore, since this course is not a pre-requisite for any other course, and this deletion does not alter the minimum standards including credits, in the interest of students' future, the Board approved the deletion of the courses, Introduction to Bioinformatics and Introduction to Bioinformatics Lab from the curriculum for students of Integrated B.Sc. (Hons.) M.Sc. Botany 2019 – 2024 batch.

- 3) To report correction in the course title of one of the courses offered to 2nd semester of Integrated B.Sc. (H) and M.Sc. in Botany.

The Board considered and approved the correction as follows:

Course code	Old Course Title	New Course Title
ICBOT1C005T	Economic Botany, Ethnobotany, and Ethnomedicine	Economic Botany

- 4) To report the value-added course (VAC) offered to 2nd semester of Integrated B.Sc. (H) and M.Sc. in Botany.

The Board considered and approved NCC as a value-added course offered to the 2nd semester of Integrated B.Sc. (H) and M.Sc. in Botany 2019 – 2024 batch.

- 5) The meeting concluded with a vote of thanks to the Chair.
