"An Inspiring Journey from B.Tech. to M.S. in USA," held on May 6th, 2024 (online), at Department of Electronics and Communication Engineering (DoECE), Central University of Jammu

The special session had been conducted on the topic "An Inspiring Journey from B.Tech. to M.S. in USA," held on May 6th, 2024 (online), at the Department of Electronics and Communication Engineering (DoECE) of Central University of Jammu by Mr. Omkeshwar Shukla, Qualcomm USA, under the visionary leadership of our Hon'ble Vice Chancellor Professor Sanjeev Jain.

Mr. Shukla provided invaluable insights into the journey from B.Tech. to M.S. in the USA. Mr. Shukla's focused on six pivotal pillars essential for this transition: CGPA, work experience, Professor, POS (Purpose of Statement), GRE/IELTs/TOFEL, Loan, and LOR (Letter of Recommendation). By elucidating the significance of each pillar, He also provided advice and guidance to students for their academic and professional pursuits.

The coordination of of the event "An Inspiring Journey from B.Tech. to M.S. in USA" was overseen by the Department of Electronics and Communication Engineering (DoECE) at Central University of Jammu, under the leadership of Prof. Rakesh Kumar Jha. Prof. Jha is a dyanamic person, who played a crucial role in organizing and facilitating the event, ensuring its smooth execution.
