Vice Chancellor's Message

I have great pleasure in presenting the Admission Prospectus of the Central University of Jammu (CUJ) for the academic year 2025-26. This document reflects our modest endeavour to provide affordable and quality education aligned with the framework as well as vision of the NEP 2020 of the country.

The Admission Prospectus 2025 offers a succinct overview of the programmes and other related aspects essential for securing entry into the university. It also showcases courses, campus facilities, and university life along with new initiatives. As in the past, in the forthcoming session CUJ is offering a range of undergraduate, post graduate and Ph.D courses in the Schools of Life Sciences, Basic and Applied Sciences, Engineering, Business Studies, Education, Knowledge Management and Media Studies, Languages, National Security Studies, and Humanities and Social Sciences. State-of-the-art infrastructural facilities in terms of modern customized classrooms, automated library, provisions for sports, advanced science labs, comfortable hostels, yoga classes, thematic clubs, NCC and NSS Units, well equipped health centre, etc. enrich the experience of the students in the campus by adding to their passion, drive and performance in the university.

Our journey since 2011 as a university may not be long but our progress has been steady and enduring. It reflects overwhelming participation and substantial achievements when we take into account the rise in the number of students and the regions we serve. Our role—as a guiding light of knowledge and as a catalyst of social change—has been crucial over the years. The effort made at multiple levels by the faculty, administration, students and others at CUJ has culminated in accelerated transformation of the ecosystem and holistic learning. Award of 'A' Grade in SWYAM/NPTEL Online Certification Courses, inclusion faculty members in the global list of top two percent highly cited researchers, excellence in National Youth Festival "Prajatantra" 2024, organisation of Smart Indian Hackathon 2024, launching of Radio-Sonde, growth in campus placements, second position in National Summer Summit Esports, etc. are some recent accomplishments to indicate the range of possibilities in CUJ. All these are a living testimony to our growing responsibility as a leading public institution of higher education with diversity, equity and inclusion.

For lasting social footprints, CUJ recognises the need for a culture of reform, critical thinking, pursuit of cutting edge technology, global best practices, innovation, and holistic development besides safety and wellbeing in the campus. In tune with Hon'ble Prime Minister's vision of Vikshit Bharat@2047, we at CUJ are dedicated to empower the youths through excellence in studies, distinction in skills and transcendence in ideas. Getting prepared for Industry 4.0 through academic rigour, course flexibility, fast tracking of ground-breaking ideas, integration of Indian knowledge system, fostering of collaborations, expanding synergy in critical areas, emphasis on industry experience, etc. remain at the core of our mission. In reaffirming our commitment to nation building, we are also conscious of emerging challenges of employment in coming years brought about by automation, artificial intelligence and machine learning.

I look forward to welcome the young, aspiring and enthusiastic students to join the CUJ community, be part of university's unique tradition and embark on a seamless journey to realize the cherished dreams of laying a solid foundation for career. Come and start writing your own growth story.

***Subham Bhavatu! May good things happen to you!
Jai Bharat, Jai Hind.***

Professor Sanjeev Jain

Vision & Mission

Vision

To be a leading Centre of higher learning integrating culture knowledge, philosophy, science and value system of our heritage with modern and emerging concepts, skills and technology and management practices.

Mission

- ✓ Impart education which in its breadth and scope represents the three main symbols in our logo: iridescent like the rising Sun, immortal as the Banyan Tree and infinite like the Sky.
- ✓ Inculcate self-confidence which when combined with disciplined study, leads to faith in one's strength and conviction.
- ✓ Develop talent for sustainable growth in academics, administration, business and research by laying emphasis on organized thought and self discipline.
- ✓ Encouraging inter-disciplinary focus, as also collaborative research with leading Institutions aimed at the optimum development of human resource and integration of new ideas and innovations.
- ✓ Provide a modern, environmentally sustainable, healthy and vibrant Campus in consonance with the principles of Green Technology.
- ✓ Play participatory role in the affair of the people of surrounding areas in particular and civil society in general.

Motto

MOTTO of the University is बुद्धिज्ञानेन शुद्ध्यति implies that knowledge refines, purifies and sharpens the mind.

Symbolism: The Rising Sun, the Banyan Tree and the Infinite Sky are some of the most significant constituents of nature, epitomizing its essence and motivating the mankind to embrace a productive way of life, to acquire knowledge and attain peace and happiness.

These elements, each being an inspirational entity, have been arranged together into an emblem to represent the Central University of Jammu.

RISING SUN- The rising Sun in the backdrop of the Banyan Tree is emblematic of victory over darkness - the triumph of enlightenment over ignorance. The students shall abide in light, acquire knowledge and grow in wisdom.

BANYAN TREE- This part of the emblem proclaims that as the Banyan Tree filters impurities to provide pure air and proliferates through its prop roots, the University intends to resonate wisdom and knowledge, leading to organized thought and self disciplined individuals through contribution and participation of its alumni.

INFINITE SKY- The vast canopy of the Infinite Sky filled with rays of the Sun denote the enormous expanse available for acquisition, growth and spread of knowledge; the soaring spirit as also an exhaustive domain for nurturing and flow of ideas.

University is an abode of boundless learning, knowledge and wisdom that paves the way to purposeful self-introspection, leading to individual growth and development.

To sum up, the Rising Sun along with the Banyan Tree and the Infinite Sky, truly reflect the values, aspirations, goals and ethos of the University as it seeks to usher in an enlightened society through vibrant, learned and empowered youth ready to adopt new ideas and emerging trends in the modern world.

Campus at a Glance

Introduction

The Central University of Jammu (CUJ) came into existence on August 08, 2011 and was established under the Central Universities Act, 2009 (Act No.25 of 2009 read with the Central Universities Act, 2009). The first academic session (2011-2012) commenced with three post graduate courses and at present university is offering 7 integrated/4 undergraduate/19 Postgraduate/23 Ph.D. and Certification programmes in Sciences, Social Sciences, Arts and Humanities and Management through different Schools and Departments. The University also offers B.Tech., M.Tech and Ph.D Program in the area of Computer Science and Engineering and Electronics and Communication Engineering. The University is fully functional from its campus located near Village Rahya – Suchani (Bagla) in District Samba of UT of J&K; approximately 24 km away from Jammu and its campus is well connected through local and state transport. Central University of Jammu epitomizes an inclusive and pluralistic institution of higher learning where the faculty and students are collectively committed to discover and share knowledge, as well as addressing the challenges that our world is faces.

The campus is a sight to behold, with natural beauty...

The University is located in a picturesque campus sprawling over six hundred acres of land, and its Campus is dotted with various Teaching, Research, Library, Administration, Boys and Girls hostels and Residential quarters, Health Centre, Banks and other amenities, etc. in a natural setting. The University is having Satish Dhwan Centre for Space Sciences funded by ISRO and

DRDO, Industry Academia-Kalam Centre for Excellence funded by DRDO. The University has an Incubation Centre which runs under CUJ SITEC, a section 8 company. The research of the University is augmented by High end research facilities including SEM, XRD, PLD, FTIR, PL, DSE, TDA, AAS, BET Surface Area Analyse, GC-MS, Confocal Raman

Spectroscopes, NMR under Central Instrumentation Facility. The University is having HARI facilities working in the area of Aerosol for climatic changes in the Himalayan Regions.

Infrastructural Highlights

To meet the contemporary demands of many programmes, the University boasts state-of-the-art infrastructural facilities such as smart classrooms, well-equipped Research Laboratories, and Lecture Theatres. The University has a fully automated library that is stocked with an adequate number of books (both physical and electronic), journals (both physical and online), and reference materials relating to the many disciplines/programs of study provided by the University.

Internet & ICT Labs

The University is equipped with seamless Wi-Fi 1GB connectivity and students can access the internet through their own laptops from anywhere in the Campus. The University also has the State of the art

ICT Labs equipped with high – end PCs loaded with necessary software accessible to the students of all the disciplines.

Auditorium

The University has two Well-equipped Auditoria, with a seating capacity of 120 and 160. Each Academic Block has separate committee rooms available for conducting official meetings, Seminars and /or other academic activities.

Central Library

The Central Library is fully automated, which is integrated with RFID using Open-Source Library automation software KOHA having approximately 33,000 books. The library management software covers acquisition cataloguing, circulation and Online Public Access Catalog (OPAC). The Central library is member of Library is member of DELNET (Developing Library Network), New Delhi.

A. Resources

Number of Books	35275
Book Bank Books	6285
Theses and Dissertation	1200+
E-Journals	5118
Print Journals	20
Data bases	5

B. Services to Users

The Central Library also have access to a range of E- Journals and E- DATABASES on various themes which includes E-Shodh sindhu and resources from E-- leading publishers like IEEE, Wiley, ELSIVER Springer, Taylor & Francis and JSTOR through One Nation One Subscription platform provided by Ministry of Education, Government of India .The Central Library also has computer facility with Wi-Fi connectivity for research scholar sand students.

C. Reprographic Services

The Central Library provides photocopy service to users at nominal rate.

D. Reference Service

The Central Library also provides reference services for procuring books, Journals, Magazines and Articles from other sources.

E. Anti Plagiarism Software

The Central Library is using iThenticate and Drill Bit Extreme software for checking plagiarism of students and scholar thesis and articles.

F. Shodhganga

Central Library uploads Ph.D. thesis of scholars of Central University of Jammu on Shodhganga, INFLIBNET online.

CABINET DECISION
25TH NOVEMBER, 2024

**One Nation
One Subscription**

- Benefits to be managed through a national subscription coordinated by the **Information and Library Network (INFLIBNET)**, an autonomous inter-university centre of the **University Grants Commission (UGC)**
- Scheme to benefit nearly **1.8 crore students** in **6300 institutions**
- Department of Higher Education to have a unified portal "**One Nation One Subscription**" through which the institutions will be able to access the journals

Laboratories

University provides well equipped laboratory facilities to its students, faculty and staff for carrying out teaching, research and practical activities. The University has dedicated labs for various disciplines of Sciences, Engineering and Social Sciences .The Lab facilitates cater to the needs of current technology trends and demand to create highly skilled professionals worldwide.

Language Lab

The software is flexible in nature which the concerned faculty appropriates keeping in view the proficiency level of learners. Moreover, software related to vocabulary building upgrade academic communication of

students. Significant thrust on audio-visual display also ascertains effective communication strategies.

Healthcare

Medical facilities with fulltime Doctors and nursing staff are available for the students, staff and faculty of the University at its campus. The University conducts regular Health Awareness and Checkup programmes in its campus for the benefit of its students, faculty and staff.

Canteen/Cafeteria

The University has a spacious, airy canteen where students and teaching faculty get an opportunity to relish the neat and clean eatables prepared under hygienic conditions at its campus.

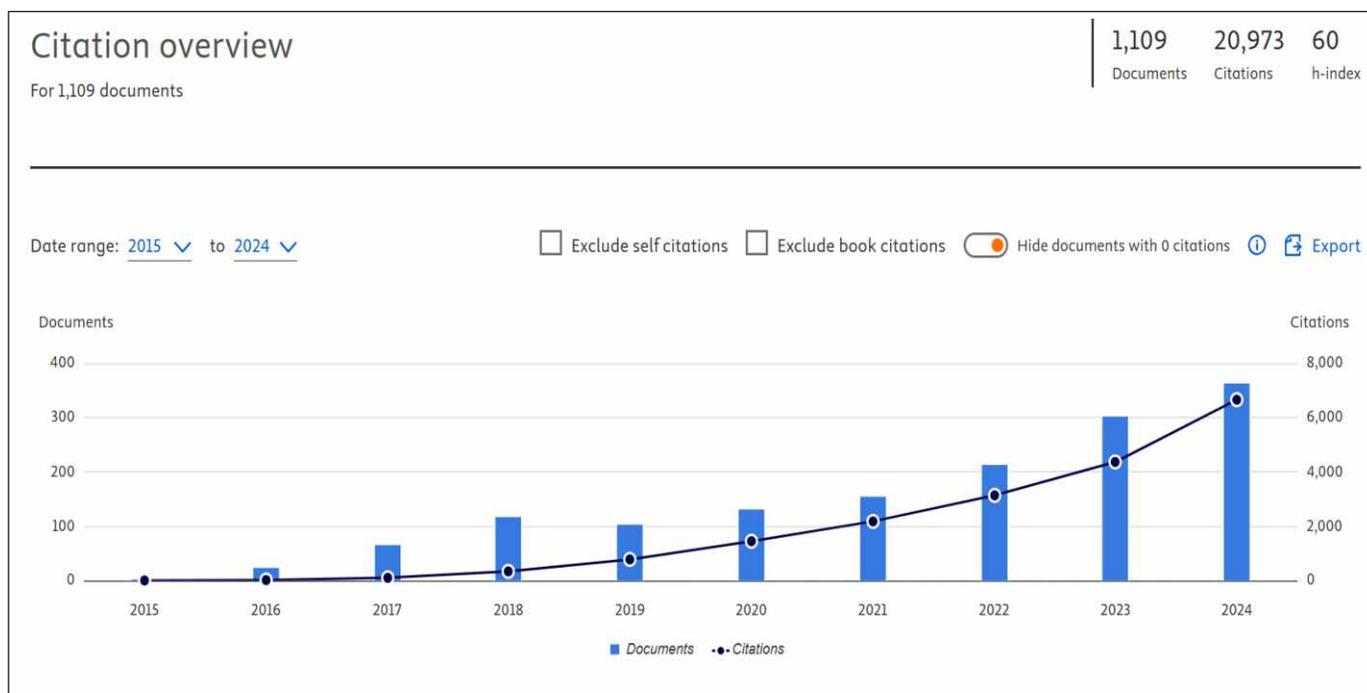

Banking and ATM Facilities

University provides banking facilities to its faculty and students for all kinds of transactions. For the convenience of staff and students University campus houses branches of J&K Bank and SBI. ATMs of HDFC and J&K Bank have been installed at the main campus building to facilitate students and faculty.

Research & Industry

To achieve research excellence, Central University of Jammu has undertaken 126 projects valued at Rs. 47.13 crore. Among these, 56 projects worth Rs. 31.88 crore have been completed, while 70 projects worth Rs. 15.25 crore are currently ongoing in the current academic session. These projects are funded by various agencies, including the National Board of Higher Mathematics, Department of Atomic Energy (GOI), SERB, UGC, ICSSR, DST, IUAC, Ministry of Textiles (GOI), DeITY (GOI), MSME (GOI), Ministry of New and Renewable Energy (GOI), and EDII, Ahmedabad, among others.

In terms of quality publications, patents, and intellectual property rights (IPR), faculty members and students have achieved a commendable position in the Nature Index Ranking, securing 49th place among universities in India for 2024. The Nature Index Ranking is renowned for its rigorous evaluation of research output across high-quality scientific journals, highlighting CU Jammu's significant contributions, particularly in the fields of Chemistry, Earth Sciences, Physical Sciences, and Life Sciences. To date, a total of 1,325 high-quality publications have been produced, alongside 17 patents and IPR filings, resulting in an H-index of 62 and a total of 20,645 citations as of January 2025. Over the past year, 1,491 quality papers have been published by the faculty and students at Central University of Jammu. This year, the university aims to strengthen the academic-industry interface, particularly focusing on industries in the northern region, especially in Jammu and Kashmir.

Additionally, the Central University of Jammu has established the CUJSITE Council (a Section 8 company) and Institute Innovation Cell (IIC), providing a platform for start-ups and innovations. The CUJSITE Council has also been awarded a project under the GENESIS SCHEME from a reputed institution.

Central Instrumentation Facility

The Central Instrumentation Facility (CIF) has been established with the objective of providing sophisticated characterization services to the Industry, and researchers within and outside the Central University of Jammu. The CIF houses several high-end state-of-the-art instruments. It aims to provide a central facility consisting of the latest and advanced analytical Instruments to facilitate multidisciplinary research and to cater to the needs of academic research institutes, universities, and industries for high-end material characterization.

Academic Highlights

Central University of Jammu is slated towards striving excellence by focusing on various aspects that elevate the status and stature of education. A sound reflection with the changing times is the utmost intention of a growing institution. All programs offered by the University are in a state of continuous re-orientation and revamping in consonance with the New Education Policy, 2020. To ensure this, the University has ensured the following:

Innovative Programme Design

The University's Programmes have been created with the goal of making students worldwide competitive in their respective disciplines. The focus is on the 'Learner-Centric Approach' as opposed to the conventional 'Teacher-Centric Approach' to accommodate learner's needs and expectations to have wider choices in content, mode and pace of learning.

Experiential Learning

The University provides excellent ambience for Experiential learning which equips the students with practical skills, real world experience and competitive skills in their carrier through internships, field work, project base learning and simulations bridging the gap between the theoretical knowledge and professional applications. The technology led ancient Padeological intervention involving hands-on experiences and real life reflections to foster critical thinking, problem solving, ancient wisdom and adaptability highly valued by employers.

Adoption of Inter-disciplinary Approach of Learning

Each study program of the University is inter-disciplinary in approach as the student is empowered to accumulate required number of credits from a wide variety of courses offered by other Departments of the University. Cross-disciplinary study gives exposure to students in terms of holistic conceptualization of the realms of learning.

Academic Calendar based on Semester System

All academic programmes of the University viz. Certificate, Diploma, B.Voc, Undergraduate (UG), Integrated Programmes, Post Graduate (PG) are based on semester system, designed at par with global practices to encapsulate a more structured pattern and effective number of teaching days along with adequate teaching- learning inputs.

Inclusion of Comprehensive Choice Based Credit System

The University is following Comprehensive Choice Based Credit System (CBCS) as per UGC norms largely on the lines of the best Universities of the world.

Holistic Evaluation System for Academic Programs

Students enrolled in all disciplines of study are assessed through Continuous Internal Assessment based on quizzes, field projects, assignments, independent works, group work, Mid-semester and End-semester examinations. Each

Department offers minimum three activities out of a list of activities to assess the performance of the students through wide variety of activities under Continuous Internal Assessment to holistically evaluate the students.

Assessment & Evaluation

- a) The assessment of the candidate shall be based on (i) Continuous Internal Assessment (CIA) throughout the semester, (ii) Mid Semester Examination, and (iii) End Semester Examination (ESE).
- b) The CIA is a continuous process spread over the semester and involves components as; assignments, quizzes, surprise test, case studies, presentations, attendance, etc. but informed the student starting of the semester.
- c) There shall be one mid semester examination as per the academic calendar. If any student does not appear in the mid semester examination due to any valid reasons (verified by concerned course coordinator, Head and Dean) shall be allowed to take re-mid semester examinations to be conducted before the commencement of the ESE.
- d) The assessment in End Semester Examination will be based on the performance in the End Semester Examination/Viva-Voce Examination/Presentation as the case may be by the student. The evaluation in theory courses which involves written examination shall be carried out by the concern faculty member whereas in case of practical's, projects, training, etc. it shall be carried (course coordinator) / (course coordinator and the external examiner).
- e) The assessment of a candidate in each subject shall be done on the basis of absolute grading basis as follows:

(i) Theory Courses and Laboratory Courses

(i) Theory Courses		
Component	Category	Marks
I	(a) Continuous Internal Assessment (CIA) (Assignments/Quizzes/Attendance etc.)	20
	(b) Mid- Semester Examination (MSE)	30
II	End-Semester Examination (ESE)	50
	Total	100
(ii) Laboratory Courses		
Component	Category	Marks
I	(a) Continuous Internal Assessment (CIA) (File work/Lab performance/Attendance/ Quiz etc.)	20
	(b) Mid- Semester Examination (MSE)	30
II	End-Semester Examination (ESE)	50
	Total	100

* All the Theory and Lab courses shall be evaluated with 100 marks individually, irrespective of their credits.

Note: The laboratory and project courses will be evaluated by the teachers(s) associated with the course/ an external examiner not in the service of the University at the time of examination. In case the external examiner (from the list of approved examiners by the BoS) does not turn up for the examination, the concerned head of the department, in consultation with the course in-charge, shall call another person to act as the examiner.

(ii) Project/Seminar

(i) Project/Seminar		
Component	Category	Marks
I	Internal Assessment - The distribution and weightage to be decided by course co-coordinator	50
II	End-Semester Examination/ External Examination	50

Note: The Project and Seminar courses will be examined by the teacher(s) associated with the course assigned by the department, and one or more External Examiners for the End-Semester Examination to be recommended by the head of the department concerned and approved by the Vice Chancellor.

(iii) Industrial/Practical Training/Internship/Apprenticeship

Industrial/Practical Training/Internship/Apprenticeship		
Component	Category	Marks
Marks to be awarded by the respective Industrial/Practical Training Organisations/ Mentor	Technical Quality of the work	25
	Day to Day Progress	15
	Attendance, discipline, involvement, etc.	10
	Sub Total	50
Marks to be awarded by the Department	Project Report	15
	Project Work	15
	Viva-Voce & Presentation	20
	Sub Total	50
Total		100

(iv) Audit Courses/Non-Credit Courses

Audit Courses/Non-Credit Courses		
Course Status	Marks Obtained	Grade Awarded
Audit Pass	$\geq 40\%$	S (Satisfactory)
Audit Fail	$< 40\%$	U (Unsatisfactory) Candidate has to repeat the course

- f) Grades for theory, practical's, projects, etc. will be submitted to the department as per Academic Calendar after the end of classes of the respective semester. Grades will be awarded by the subject coordinator and shall be submitted to the department for further submission in examination section.
- g) The grades submitted by different programs may be moderated by a Departmental Moderation Committee, recommended through the concern HoD, and approved by the Dean of School/Vice-Chancellor, if required.

Fellowships for PG and Ph.D Students

Fellowships are the most important part of student support. Central University of Jammu assist the students and researchers in availing these fellowships by providing guidance to the students for clearing the National level exams for the fellowships. Researchers who are pursuing PhD and those who have cleared their UGC (JRF)/ GATE are availing the fellowships offered by University Grants Commission and Council for Scientific and Industrial Research. Various other fellowships availed by the University students are NGOBC, RGNF, Single Girl Child, Pahari Speaking, Post Matric Scholarship for SC/ST students, PMS-Minority etc.

State-of-the-art Facilities

The University offers various facilities on campus including library, gymnasium, canteen, hostel, sports facility, wi-fi connectivity and much more. The campus is both eco-friendly lush green and inviting equipped with all necessary facilities. Students enrolled in the University can benefit from these facilities without paying any membership charge.

Internship Embedded Skill Training Programme

The goal of this initiative is to provide Indian youth with skill training through sector-specific vocational education programmes. The Next-Generation Bachelor of Vocational [B.Voc.] programmes are offered under the University Grants Commission's (UGC) "National Skill Qualification Framework (NSQF)" and AICTE to address critical knowledge and skill-set gaps required to make candidates "Industry Ready" and also shape "Young-entrepreneurs." The Bachelor of Vocational [B Voc.] programmes incorporate specific job roles and their equivalent National Occupational Standards (NOSs) along with broad-based general education. The Central University of Jammu currently offers three B. Voc. programmes namely B. Voc. (Tourism Management), B. Voc. (Retail Management) and B. Voc. (Banking & Finance).

The three-year degree programme begins with a Diploma course leading to a Bachelor of Vocational Degree [B. Voc.] in the 3rd year. B. Voc. programme offer multiple entry and exit options. As a course requirement, every B. Voc. student of Central University of Jammu is required to complete internships through 'Earn While You Learn' model. This 'Earn While You Learn' model provides students an opportunity to earn a modest stipend in skill knowledge sectors.

Opportunity for International Students

The following category of students from abroad viz Foreign Nationals, Non-Resident Indian (NRI) and Persons of Indian Origin (PIO) will be admitted to Central University of Jammu subject to the fulfilment of the following requirements under different UG/PG/Integrated and Ph.D. programmes.

In all the courses, a maximum of 25% seats may be filled as supernumerary seats over and above the total approved intake. Out of 25% supernumerary seats for foreign students 5% of such seats shall be earmarked for the Children of Indian workers in the Gulf and foreign student in this context shall be defined as the one who possesses a foreign passport; preference to be given to person of Indian origin holding foreign passport. However, in case of any vacancy under this category the vacant seats can be filled with other foreign students. There will be no written test or interview for admission. However, candidates shall have to fulfil the eligibility conditions for admission as laid down for the respective postgraduate and Ph.D. programmes given below.

Eligibility and Academic Qualifications

All foreign students/NRI/PIO should have passed the examination in the concerned subject and should fulfil the minimum eligibility criteria for admission as per the requirement of programme from a University/Board included in the list of Association of Indian Universities (AIU). In case the University/Board is not included in the said list, the candidate has to obtain and submit an equivalence certificate to this effect from AIU subject to its final verification by the respective Department. If the candidate has a non-Indian bachelor's degree not recognized by AIU/UGC/AICTE, he/she is required to produce proper certification from a national body in the country concerned, constituted for certifying equivalence of degrees.

Quality Education at Affordable Fees

Central University of Jammu has relatively low tuition fee that students from any background can afford. A major advantage of attending Central University of Jammu is that the fee of any programme is not excessively expensive for students to avail good quality education.

Admission 2025-26

General

Admission (for the session 2025-26 to all the Programmes of studies shall be made on the basis of merit through Central Universities Common Entrance Test (CUET) to be conducted by National Testing Agency.

In some courses the University may Conduct its own Entrance Test subject to approval of Competent Bodies of the University after conduct of (CUET)

For making admission to B.Voc. Programmes and Programmes of Studies under Community College the University shall follow the relevant UGC guidelines/regulations that may be in addition to / apart from the merit obtained through (CUET) in the respective courses.

For admission in Engineering courses, merit of JEE Mains, JOSSA / CSAB and equivalent will be considered.

Completion of Admission Formalities

A candidate shall be considered as admitted to a Programme of Study and be eligible to be bonafide student of the University only after he/she has completed all the required formalities for admission including payment of the prescribed fees. If a candidate fails to complete the admission formalities by the prescribed date, he/she will automatically forfeit his/her right for admission.

List of selected candidates shall be displayed on the **University Website**. **No separate intimation to the selected candidates will be sent by post**. However, the candidates can see the status of their admission through the SMARTH Portal.

The candidates shall be required to get their admissions completed by the dates as notified by the University from time to time and the candidates are advised to remain in touch with the University website www.cujammu.ac.in and other Admission related website that may be launched by the University (students are advised to be in regular touch with University website www.cujammu.ac.in for further updates). The selected candidates shall be required to produce, for verification at the time of reporting / last date prescribed for completion of the admission formalities, as the case may be the original documents thereof. In case of a candidate who is already in employment, No Objection Certificate (NOC) from the employer clearly mentioning that the employer has no objection in the candidates selection/admission for pursuing higher education in the respective discipline/Programme of study in the Central University of Jammu on regular basis. Such candidate (s) will be considered for admission only on production of a certificate from the employee that he/she has been granted leave for the prescribed duration in the University. In case of a gap between the qualifying examination and the year seeking admission in the University for more than one year, the candidate shall be required to submit an undertaking indicating the reasons for such gap and the activities in which he/she was engaged during the intervening period.

Candidates desirous of seeking admission to a Programme of Study in the Central University of Jammu are advised, in their own interest, to ensure that they have inserted the correct code of Central University of Jammu and the subject code allotted to a subject offered by the University, otherwise they will not be considered for admission by the University.

RESERVATION OF SEATS IN ADMISSION

1. The University shall follow reservation in admission as mandated under the Central Educational Institutions (Reservation of Seats) Act 2006, as amended from time to time.
2. The University shall also follow reservation in admission in all Programmes of Study in accordance with the Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995 and The Rights of Persons with Disabilities Act, 2016.
3. Accordingly, the University shall reserve seats in all Programmes of Study for admission as under for the students belonging to:

Scheduled Caste (SC) Category	15.0%
Scheduled Tribe (ST) Category	7.5%
Other Backward Classes(OBC) Category– Non-creamy layer	27.0%
EWS (Economic Weaker Section)	10%

4. Each category will have 5% seats reserved for PWD Candidates as per Horizontal Reservation of Gol.
5. The candidates applying under the reserved categories shall need to submit the category Certificates (SC/ST/OBC Non-Creamy Layer Certificate/ EWS/PWD issued by the competent authority in the prescribed format at the time of submission of Application Form and produce the same in original for verification at the time of admission/registration. Non-Creamy Layer certificate should not have been issued earlier than six(6) months from the date of registration.
6. If a candidate in there served category qualifies for admission in the general category he/she shall be treated as a general category candidate. If sufficient number of candidates are not available to fill up the seats reserved for Scheduled Tribes, these may be filled up by suitable candidates from Scheduled Castes and vice-versa. If sufficient number of candidates are not available to fill up the seats reserved for OBCs, these may be filled up by suitable candidates from General Category.

Explanation: For the purpose of calculation of number of seats under a reserved category, fractions will be ignored. Candidates seeking admission under reserved categories shall be required to fulfill the prescribed conditions of admission criteria of the Programme of Study offered by the CUJ.

Other Supernumerary Seats: One seat each shall be reserved for:

- a) Outstanding Sportspersons viz:sportspersons of State/National/International repute insuitable courses to promote sports in the university
- b) National Cadet Corps
- c) NSS
- d) Wards of serving or retired Defense personnel as per national policy
- e) Wards of Central University of Jammu employees who are holding or have held substantive post.
- f) Single Girl child.
- g) Kashmiri Migrant
- h) Children who lost their parents during COVID Pandemic

Admission Criteria

Graduate/Master's Degree Programmes

Admission to all Programmes of studies shall be based on the merit of the students in Entrance Test obtained in (CUET-2025). No candidate under these provisions shall be considered for admission unless he/she has appeared in the (CUET-2025). Admission in Engineering shall be through CUET, JEE Mains, JOSAA / CSAB.

Admission Guidelines for International Students

International students in this context are defined as the one who possesses a foreign passport. In all the courses, a maximum of 25% supernumerary seats have been allocated for international students over and above the total sanctioned enrolment in each programme. The supernumerary seats for international students will not include the international students under exchange programmes or/and through Memorandum of Understanding (MoU) between institutions or between Government of India and other countries.

International Students need to adhere to all existing rules/provisions notified by the Government of India regarding visa/ Foreign Regional Registration Offices (FRRO) etc.

The International Students viz Foreign Nationals, Non-Resident Indian (NRI) and Persons of Indian Origin (PIO) will be admitted to Central University of Jammu through Study in India (SII) programme.

About the Study in India (SII) programme:

The Study in India (SII) programme is a flagship initiative launched by the Ministry of Education (MoE), Government of India. The Study in India portal integrates dynamic features including student registration, generation of Unique Student ID, online application submission, visa processing and FRRO application process. The program aims to position India as a leading educational destination for international students. Interested international students from around the world may explore valuable educational prospects offered by Central University of Jammu in Academic year 2025-2026 on SII portal (www.studyinindia.gov.in).

Eligibility and Academic Qualifications

International Students seeking admission will have to satisfy the minimum eligibility criteria for admission to the various programmes of study. All foreign students/NRI/PIO should have passed the examination in the concerned subject and should fulfil the minimum eligibility criteria for admission as per the requirement of programme from a University/Board included in the list of Association of Indian Universities (AIU). In case the University/Board is not included in the said list, the candidate has to obtain and submit an equivalence certificate to this effect from AIU subject to its final verification by the respective Department. If the candidate has a non-Indian bachelor's degree not recognized by AIU/UGC/AICTE, he/she is required to produce proper certification from a national body in the country concerned, constituted for certifying equivalence of degrees.

Fee Structure for International Students for the Academic Year - 2025-26

S.No.	Programme of Study	Discipline	Fees Per Annum (USD)
1	Graduate Degree Programmes	Humanities	800
		Sciences	1000
2	Master's Degree Programmes	Humanities	1200
		Sciences	1500
3	Ph.D. Programmes	Humanities	1800
		Sciences	2000

- Hostel accommodation is not included in the above fees. Students requiring hostel need to pay a hostel fees of USD 700 per annum separately plus mess charges on actual basis.

FEE STRUCTURE

Fee Structure for Ph.D. (except for Humanities/Social Science & MBA Programmes)

(Applicable for newly admitted students for Batch 2025 – 26)

CU Jammu SITEC/ University Business Incubation Centre

CU Jammu Startup Incubation and Technology Enablement Council (CUJammu SITE Council) has been formally registered as section 8 company with Ministry of Corporate Affairs, Government of India in 2023 with formal objectives to act as University Business Incubation Centre at Central University of Jammu. The main objective is to nurture innovative ideas of students/faculty/staff of CU Jammu for commercialization. The specific aim is to formalize the innovative ideas of existing and prospective entrepreneurs in emerging and innovative domains. It is achieved by providing necessary initial prototyping grant, mentoring, promoting IP ecosystem and providing the entrepreneurs a platform to commercialize their ideas. Besides helping to raise the seed capital from different financial institutions, investment grants or collateral free highly subsidized loans are also facilitated.

The incubation centre is now known as CU Jammu Startup Incubation and Technology Enablement Centre (CUJ-SITEC), governed by University Council. CUJ SITEC works by hand in hand, with Institution Innovation Council (IIC), and various departments of Central University of Jammu.

In 2022-2023, 17 Patents have been filed and published by University students, faculty and employees. In addition, various innovation promoting programmes have been carried out by IIC, especially idea screening sessions and Hackathons. University also is facilitating innovative ideas and 5 ideas, made from the first phase to next phase, in 2023 with financial aid, with successful incorporation of one as a formal registered firm in the food-tech sector.

The submission and screening of ideas is continuous and more details can be collected from www.cujsitec.in

Office of International Affairs

Internationalisation of higher education is an essential aspect of the National Education Policy 2020. The details of programmes offered by Central University of Jammu for international students can now be found on Study in India (SII) portal (www.studyinindia.gov.in) of the Ministry of Education (MoE), Government of India. Central University of Jammu accords high priority in attracting the international students from various countries and this very fact is evident in the form of university's policy initiative to establish the Office of International Affairs (OIA) with Hon'ble Vice-Chancellor himself as Dean, OIA.

Motto: *Vasudhaiva Kutumbakam* "The world is one family"

Vision: To build, sustain and nurture international connect between CUJ fraternity and the best institutions from all over the world.

Mission: To establish and elevate the global profile of Central University of Jammu with Indian Traditional Knowledge as guiding factor.

Objectives:

1. To show case the strength and uniqueness of Indian traditional Knowledge globally.
2. To develop international relations and collaborations in inclusive and coherent manner.
3. To promote human-centric growth factoring in diverse aspirations through student and faculty exchange.
4. To elevate the overall thinking process of CUJ fraternity to world class level so that our students can serve as ambassadors of change.
5. To provide necessary information and updates about international fellowships, openings and opportunities.

Key Initiatives:

- In pursuit of excellence in designing world class curriculum and building a global research ecosystem, the OIA facilitates student and faculty exchange, training of students in premier laboratories, development of joint programmes and multi-sectoral collaborations with top institutions around the world.
- University intends to attract the students from various countries including SAARC, Nordic and European countries, and accordingly the OIA is devising a priority strategy action plan for University outreach programmes engaging with various International agencies working in the areas of Higher Education for Regular Students enrolment as priority, apart from developing online courses, in various courses offered by University.
- The OIA is engaged in designing encouraging policies to admit foreign students and to foster academic and research collaborations globally. Attempts are being made to undertake joint academic programmes that allow credit transfers and grant of joint degrees to students in areas of mutual benefit.

- Central University of Jammu has pioneered in designing sustainable solutions to problems of international relevance through bilateral programmes, joint research campaigns and successful execution of joint research projects alongwith other collaborative endeavours with international community.
- Faculty members with extensive international experience, world class infrastructure as well as unique locational setting of Central University of Jammu in the North-Western Himalayas provides conducive environment for opportunities for learning, research and collaboration through international connect.

Office of Dean Students' Welfare

The primary objective of the office is to bring out and showcase the cultural and literary potential of the students at the regional, national and international level. The DSW office organizes various activities and competitions for the students, scholars, teachers as well as non-teaching staff of the university. This helps in their self-promotion and provides them with exposure to uncover their hidden talent and abilities. A large number of students from the different Departments of the University participate and shows their talent in different activities.

In addition to this, on the beginning of new academic session every year, the DSW Office organizes induction programme for all the new admitted students of the university to appraise them about the rules, regulations, guidelines, facilities and functioning of the University.

The office of Dean Students' Welfare has various clubs:

1. Debating/Book reading club.
2. Dramatics Club.
3. Dance Club.
4. Music Club.
5. Creative Writing Club.
6. Fine Arts Club.
7. SPIC MACAY.
8. Quizzing Club.
9. Photography Club.
10. Film Club.
11. GlamEth- PARIDHAAN.
12. Innovation & Startup Club.
13. Career/Placement Club.
14. Eco Club.
15. Poetry Club.

Directorate of Physical Education

Directorate of Physical Education was established in the year 2018 with an objective of developing and promoting sports culture among the youth for overall development of their personality. The directorate aims to develop spirit of sportsmanship, achievement, national pride and patriotism among youth. With a view to realize and fulfill this mammoth task, the Directorate plans to develop the sports facilities and infrastructure in the campus and conduct camps, marathons, university campus sports activities etc. Students brought laurels to the institution by winning a number of state and national level competitions. The Directorate of Physical Education has constituted a 'Fitness Club' that regularly organize the activities which promotes the vision of Fit India Movement. Students of Central University of Jammu participated in various sports events like All India inter University sports championship, State sports championship etc.

As one embarks on a journey towards academic excellence at the Central University of Jammu, holistic development of body and mind becomes essential. To complement the educational pursuits, of students, we are proud to present a dynamic platform for sports and physical activities under the Directorate of Physical Education. Directorate of physical education was established in the year 2018 with an objective of developing and promoting sports culture among the youth for overall development of their personality. The directorate aims to develop the spirit of sportsmanship, achievement, national pride and patriotism among

the youth. With a view to realize and fulfill this mammoth task, the directorate plans to develop the sports facilities and infrastructure in the campus and conduct camps, marathons, university campus sports activities etc. In the past, students have brought laurels to the university by winning a number of state and national level awards. They participated in sports events like All India University Sports Championship, State Sports Championships etc. Anant Khel (Annual Sports Meet) to showcase their prowess in a variety of sports disciplines. Anant Khel is an event that encapsulates the true spirit of sportsmanship.

National Service Scheme

NSS Activities

The National Service Scheme (NSS) Unit was established in the Central University of Jammu in August 2015. Within brief period of time, the NSS Unit has climbing many heights including volunteer's participation in the "Regular Activities" like Education,

Health, Family Welfare and Nutrition, Social Service Programmes, Programmes for improving Status of Women etc. and National level special camping/events such as NSS Republic Day Parade Camp, National Youth Festivals (NYF), National Integration Camp (NIC) and National Adventures Camp (NAC). As envisaged by the Hon'ble Vice Chancellor, NSS is mandated to foster selfless community services among the student community by inculcating social responsibilities through various programmes and activities.

One of the key objectives of NSS is to awaken the social consciousness of the students and provide them with an

opportunity to engage with people around the campus constructively and to impart public social responsibility. The motto of NSS is "NOT ME BUT YOU", which expresses the essence of democratic living, upholds the need for selfless service and volunteerism and underlines that individual welfare is dependent on the welfare of the society as whole.

National Cadet Corps

NCC Activities

NCC Directorate JK&L introduced NCC in Central University Jammu in 2020 as a part of newly raised 4 J&K Battalion NCC Group Headquarters Jammu which spreads over Samba and Kathua Districts of the border area. Since the introduction of NCC unit in Central University of Jammu, the unit has taken various initiatives by celebrating : NCC day, Constitution day, participated in Blood Donation Camp, organized various events under the umbrella Mission Life (Lifestyle for Environment), G-20 and Y-20 apart from this NCC Unit of Central University, Jammu had also participated in Azaadi ka Amrut Mahotsav to celebrate the contribution of freedom fighters. Central University of Jammu had incorporated NCC as an "Open Elective Credit Course" under the Choice Based Credit System, in line with NEP 2020 from academic session 2022-2023. NCC unit of CUJ had participated and performed exceedingly well in National Camps such as TSC, EBSB and Trekking camps and bagged Gold, Silver and Bronze Medals at All India level. The first batch of NCC cadets passed with 100% results for C Certificate exam in the year 2023. It is pertinent to mention that from the academic year 2023-2024, NCC unit of CUJ had also enrolled first batch of girls cadets running with a strength of 100 (SD/SW) cadets.

Community Radio Station

"Tawi Dhara" 91.2MHz

The Central University of Jammu has set up a Community Radio Station, 91.2 MHz "Tawi Dhara" CUJ. 91.2 FM CUJ that will provide a platform to the students, faculty and local people to express themselves and showcase their creativity. Programmes broadcast by the community radio are heard within a radius of 15 to 20 km from the University. 91.2 FM Tawi Dhara CUJ not only addresses the needs of the campus population but also those who are outside the University and are part of the community. 91.2FM Tawi Dhara CUJ will broadcast information related to admissions, examinations, etc. of the Central University of Jammu and placement opportunities for the students. The research, innovations and start-ups in the different departments of the university are conveyed to the local community through this platform. This approach helps to strengthen the need for social/community outreach for a balanced development of the area. Regional music, art, culture and tourism is sought to be preserved and popularized through various programmes. Such programmes add to the entertainment quotient of the CRS. The University students work as radio jockeys, content creators and provide other logistic support.

Radiosonde

Central University of Jammu has launched Radiosonde biweekly from Satish Dhawan Centre for Space Science, as a joint venture between the Central University of Jammu and National Remote Sensing Centre (NRSC), as per the Memorandum of Understanding (MOU) with ISRO.

First Radiosonde at Central University of Jammu was launched from Satish Dhawan Centre for Space Science on May 29, 2024 by Prof. Sanjeev Jain, Hon'ble Vice Chancellor, Central University of Jammu. This project is coordinated by Department of Electronics and Communication Engineering, Prof. Vinay Kumar, Prof. Rakesh Kumar Jha, Dr. Sanjeev Yadav and Dr. Pravesh Pal.

The Radiosonde Network for NICES (RANN) project falls under the NICES (National Information System for Climate and Environment Studies) program, which was formulated by ISRO with a mandate to build an information base for climate change impact assessment and provide recommendation for mitigation. This Radiosonde Ground Station is indigenously developed in the Semi-conductor Laboratory, Mohali (SCL), a make in India product. The data collected from Radiosonde will contribute in the field of atmospheric and Space research.

Radiosonde is a telemetry device for the measurement of vertical profiles of humidity, pressure, temperature, wind speed and direction. The RadioSonde system consists of the balloon borne segment referred as PisharotySonde and the ground segment referred as PisharotySonde Ground Station. PisharotySonde uses sensors for measuring the atmospheric temperature, relative humidity and GPS receiver module for acquiring the wind parameters, altitude, date and time. Sensor and GPS data are processed and transmitted to ground station through antennas. The PisharotySonde System is used for boundary layer studies and upper atmospheric observations.

In Year 2024 we have launched 09 Radiosonde from Satish Dhawan Centre for Space Science, Central University of Jammu with the help of B.Tech Students for collecting the Metrological Data. This Radiosonde goes up to the vertical height of 40 Kms and collects and transmit all the atmospheric data to the ground station. All the collected data will be processed for future predictions. In the Year 2025 we will be launching 24 Radiosonde from Satish Dhawan Centre for Space Science.

Hostel Facilities

While at CUJ, we understand the importance of creating a secure and inclusive living environment for all students. Our university is proud to offer separate hostel facilities for both the girls and the boys, ensuring a comfortable and conducive atmosphere for all. These hostels are equipped with modern amenities, round-the-clock security, and dedicated staff to cater to the unique needs of our diverse student community. Such comfortably-furnished hostels make for a good home away from home. Outstation students are accommodated on the basis of merit and distance. Our girls' hostels are designed to provide safe and supportive space where female students can focus on their academic pursuits and personal growth fostering a sense of empowered community. Similarly, our boys' hostels are designed to offer a comfortable and enriching living experience. Hostels at CUJ are happening premises and are provided with all basic facilities including water coolers with water purifiers, washing machines, common TV room, common reading room and recreation room. The hostel life is also culturally vibrant and socially secure for students. At the CUJ, we believe in creating an inclusive campus that respects and celebrates diversity. We encourage you to explore the various facets of life at our university and take advantage of the enriching experiences that await you in our hostel facilities. Two hostels of 500 and 600 capacity are likely to be completed in the month of July.

Student Support

Equal Opportunity Cell

Equality of opportunity is one of the most important principles of constitutional democracy in India. Central University of Jammu ensures every person an equal opportunity at all levels irrespective of any caste, religion, race, creed, gender, sexual orientation, gender identity, gender expression, marital status, age, minority, economically weaker section or disability. The objective of the cell is to create conducive atmosphere for healthy inter- personal relation among students from different sections The CUJ promotes diversity and inclusive practices within the campus.

Training and Placement Cell

Central University of Jammu (Training and Placement cell), considered one of the premier institutes in Jammu & Kashmir. It has been attracting the attention of students in recent years through excellent placement records. On an average, Training and placement cell has a placement rate between 80% and 90%. The Training and placement highest package will vary based on various factors such as Course and Job description. Throughout the academic session, approximately 50+ companies took part in the campus placement

Throughout the academic session, approximately 50+ companies took part in the campus placement

Guest lecture by HCL

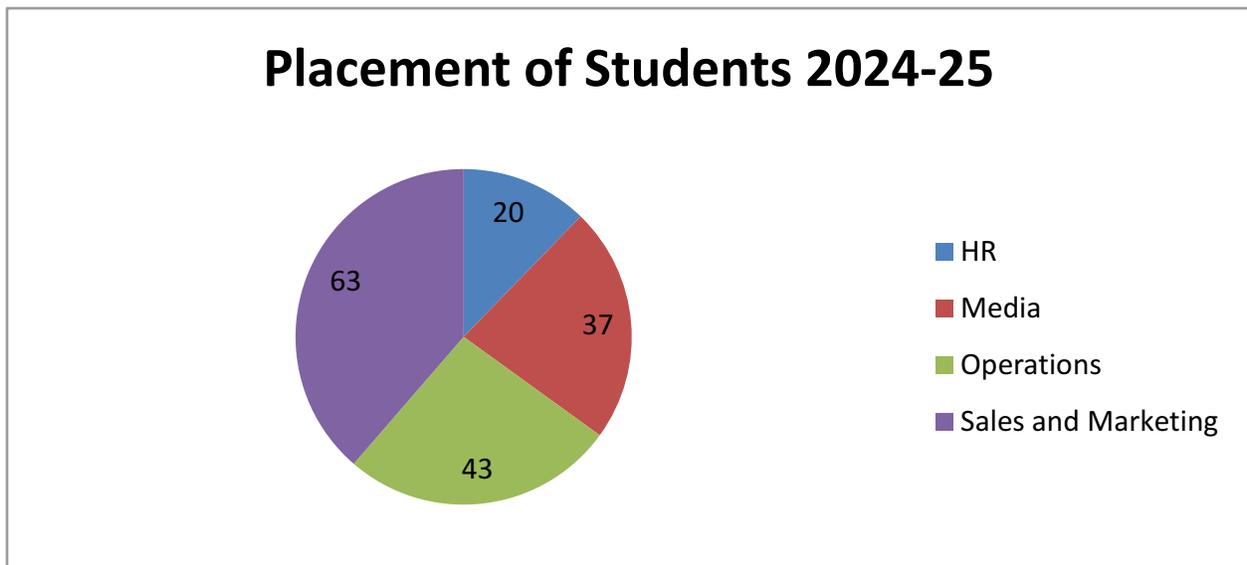

Bhabha Atomic Research Centre Event

Guest Lecture by Wipro
(Campus head PAN INDIA)

drive, and students with excellent skills, subject & knowledge have secured excellent packages. Companies like Satguru travels, Berger Paints, Godrej, APML, Indiamart, TCS, ITC, Planet Spark, Jaro, Nerolac and Prevest Denpro are few who have become regular esteemed partners for the campus recruitment offering various Job roles.

Training and placement Highest packages:- Talking about the placement packages of university, the Highest package stands at 10LPA wherein 3.2 LPA is the average for Non B.tech courses. The packages differ based on job location, academic performance and other factors.

Students Progression to Higher Education

With unique sets of skills and valuable experience and in continuation of their career goals, many former students of the Central Universities of Jammu are currently pursuing their higher education in humanities, social sciences, management, natural as well as physical sciences and engineering in premier institutions and universities of India and the world. Their success and achievements have reinforced the impactful role of CUJ as a leading institution of higher education.

Students' Grievance Redressal

The University has constituted a Students' Grievance Redressal Committee to address the issues, concerns, and complaints filed by the students at any point in time. This student grievance redressal mechanism provides students essential support to resolve their issues either academic or non-academic in nature. A grievance redressal committee headed by academic coordinator has been constituted to tide over the difficulties if any raised by the students. A suggestion box has been kept for seeking opinion of the students. Many changes have been done on account of the same viz. Library timing changes, internet facility extended, bandwidth extended, wi-fi facility provided in hostels, improvement in the food quality in canteen as well as in mess. There is a cell named GSCASH (Gender Sensitization Committee Against Sexual Harassment) under which university is having University Complaints Committee (UCC) in order to address the issues and complaints filed by the student or employee of the university. Equal Opportunity Cell

also addresses the issues and complaints of the university fraternity. The university ensures every person an equal opportunity at all levels irrespective of any caste, religion, race, creed, gender, sexual orientation, gender identity, gender expression, genetic information, marital status, age, minorities, economically weaker section or disability.

Anti-Ragging Measures

The University is committed to prevent ragging and an anti-ragging Committee has been constituted in accordance with the relevant Supreme Court guidelines.

What constitutes Ragging

- ✓ Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student.
- ✓ Indulging in rowdy or undisciplined activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof to any fresher or any other student.
- ✓ Asking any student to do any act which such student will not in the ordinary courses do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student.
- ✓ Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher.
- ✓ Exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students. Any act off in ancial extortion or forceful expenditure/burden put on a fresher or any other student.
- ✓ Any act of physical abuse including all variants of it: Sexual abuse, homosexual assaults and stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person.
- ✓ Any act or abuse by spoken words, emails, posts, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student.
- ✓ Any act that affects the mental health and self-confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student

Administrative action in the event of Ragging

- ✓ Suspension from attending Classes and Academic privileges.
- ✓ Withholding/Withdrawing Scholarship/Fellowship and other benefits.

- ✓ Debarring from appearing in any Test/Examination or other Evaluation process.
- ✓ Withholding results.
- ✓ Debarring from representing the Institution in any Regional, National or International Meet, Tournament, Youth Festival etc.
- ✓ Suspension/Expulsion from the Hostel.
- ✓ Rustication from the Institution for period ranging from one to four Semesters.
- ✓ Cancellation of Admission.
- ✓ Expulsion from the Institution and consequent debarring from Admission to any other Institution for a specified period.
- ✓ Filing of First Information Report (FIR) with the Police and Local Authorities, under the appropriate Penal Provisions.

GSCASH (Gender Sensitization Committee against Sexual Harassment)

Gender Sensitization against Sexual Harassment in campuses is a *sine qua non* of peaceful and respectful living. Sexual harassment can happen at work places, institutions, in the family or on the streets. Even in an enlightened institution like a university campus sexual harassment cannot be very uncommon. With the aim of constituting a

legally formalized Cell to address gender issues, the gender sensitization committee against sexual harassment (GSCASH) in Central University of Jammu has been constituted.

**DEPARTMENTAL
PROFILES**

SCHOOL OF ENGINEERING

The School of Engineering is currently running two departments:

Computer Science and Engineering (CSE) –

Emphasizing areas like software development, algorithms, artificial intelligence, data science, and other aspects of computing technology. The Department offers courses of study and facilities for research leading to B.Tech. and Ph.D.

The department currently offers the following under graduate (UG) and PhD programmes:

- B. Tech in Computer Science & Engineering (4 years)
- B. Tech in Computer Science & Engineering (Cyber Security) under mentorship of DRDO (4 years)
- Ph.D. in Computer Science and Engineering
- For more details: <https://www.cujammu.ac.in/departments/about/SENGG/CSE/>

Electronics and Communication Engineering (ECE)-

Focusing on electronic systems, avionics, ground station development for satellite launching, communication technologies, embedded systems, and signal processing. The Department offers courses of study and facilities for research leading to B.Tech. and Ph.D. The department currently offers the following under graduate (UG) and PhD programmes:

- B. Tech in Electronics and Communication Engineering (4 years)
- B. Tech in Electronics and Communication Engineering (Avionics,4 years): under mentorship of IIST-ISRO.
- B. Tech (Minor Degree) Semiconductor and Microelectronics
- B. Tech (Minor Degree) Cyber Security
- B. Tech (Minor Degree) Space Technology
- M. Tech in Electronics and Communication Engineering
- Ph.D. in Electronics and Communication Engineering

• For more details: <https://www.cujammu.ac.in/department/departmentHome/SENGG/ECE/>

LABORATORY FACILITIES IN SCHOOL OF ENGINEERING:

Computer Science & Engineering Labs

The department of CSE is Equipped with state-of-the-art hardware and software, this facility caters to the diverse needs of students and faculty across various disciplines. These labs have high ended desktop computers with high-speed internet LAN connection. Students engage in hands-on learning experiences, improving their skills in programming and research. The lab provides access to cutting-edge tools, fostering a collaborative environment where students can collaborate on projects, conduct research and experiment with emerging technologies. The major laboratories are RDBMS, Linux, Computer Programming, Project Laboratory, Computer Network, Artificial Intelligence, Data Science, Software Engineering, Information Security, and Operating Systems etc.

Electronics and Communication Engineering Labs

The Department of ECE has well-equipped laboratories, and these are aligned with current technology trends and demand to create highly skilled professionals worldwide along with hands-on experience. The major laboratories are Basic Electronics Lab, Signals and Systems Lab, Digital Signal Processing Lab, Digital Electronics Lab, Machine Learning Lab, Data Science Lab, AI and Robotics Lab, Communication Lab, RF & Microwave Lab, and Internet of Things (IoT) Lab, Space Technology and Avionics Lab, Tinkering lab, optical Quantum Computing Lab, High Performance Computing and Networking Lab, Semiconductor and Fabrication Lab etc.

TRAINING AND PLACEMENT CELL:

School of Engineering supports our students to get the placement, internships, and training in reputed industries, IT companies, Universities, and Institutes. Following are the highlights of School of student's summer internship at IIST Thiruvananthapuram:

Major Placement & Internship Partners of CUJ's are DRDO, ISRO, SCL, NRSC, SAC,Wipro,Accenture, HCL, LIDO, Audi, Amazon, Flipkart, VIVO, MNCs.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

Name of the School:	Engineering
Name of the Department/Centre:	Computer Science & Engineering
Year of Establishment	2022
Objective of the Department	The objective of the Computer Science & Engineering department is to produce industry ready professionals having strong foundation in software design & development, cyber security and emerging technologies. The department strives to foster innovation, critical thinking, and problem-solving skills through quality education, cutting-edge research, and industry collaboration.
Academic Programs Offered:	1.B.Tech-CSE 2.B.Tech-CSE (Cyber Security) 3.M.Tech-CSE 4. Ph.D
Faculty Strength:	1. Prof. Dinesh Kumar, Professor & Head 2. Dr. Pradeep Kumar Singh, Associate Professor 3. Dr. Bhavna Arora, Associate Professor 4. Dr. Javinder Pal Singh, Assistant Professor 5. Dr. Palak Mahajan, Assistant Professor 6. Dr. Harnain Kour, Assistant Professor 7. Dr. Gourav Kumar, Assistant Professor 8. Sh. Arun Kumar Sharma, Assistant Professor 9. Sh. Gaurav Thakur, Assistant Professor 10. Dr. Suresh Limkar, Assistant Professor
Research Focus Areas:	<ul style="list-style-type: none"> • Machine Learning • Computer Vision • Cyber Security • Natural Language Processing
Infrastructure and Facilities:	<ul style="list-style-type: none"> • Well-equipped computer labs • Cyber Physical Systems Lab • IoT Lab • DRDO Research
Contact Information: Head of the Department: Prof. Dinesh Kumar Email: office.cse@cujammu.ac.in Phone: 9815814764 Website: https://www.cujammu.ac.in/department/departmentHome/SENGG/CSE/	

DEPARTMENT OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

Name of the School:	Basic and Applied Sciences
Name of the Department/Centre:	Computer Science & Information Technology
Year of Establishment	2012
Objective of the Department	The objective of the department is to empower students with a strong foundation in computer science, foster innovative thinking and problem-solving skills, and promote research. The department aims to produce highly skilled professionals who contribute to the advancement of technology and make their career in computer science and related fields.
Academic Programs Offered:	<ol style="list-style-type: none"> 1. M.Tech-CST 2. Ph.D
Faculty Strength:	<ol style="list-style-type: none"> 1. Prof. Yashwant Singh, Professor (On deputation) 2. Prof. Dinesh Kumar, Professor & Head 3. Prof. Palvinder Singh Mann, Professor 4. Dr. Neerendra Kumar, Associate Professor 5. Dr. Arvind Selwal, Assistant Professor 6. Dr. Deepti Malhotra, Assistant Professor 7. Sh. Zakir Ahmad Sheikh, Assistant Professor
Research Focus Areas:	<ul style="list-style-type: none"> • Artificial Intelligence • Computer Vision • Internet of Things • Natural Language Processing
Infrastructure and Facilities:	<ul style="list-style-type: none"> • Well-equipped computer labs • Cyber Physical Systems Lab • IoT Lab • DRDO Research

DEPARTMENT OF MATHEMATICS

Name of the School:	Basic and Applied Sciences									
Name of the Department:	Mathematics									
Year of Establishment	2011									
Objective of the Department	<p>The objective of the Department of Mathematics is to provide high-quality educational programs and to foster cutting-edge research in a range of mathematical disciplines. The goal is to provide holistic & multidisciplinary education to students with a comprehensive understanding of scientific principles, a strong ethical framework, essential skills, and knowledge of technology and management. The department provides programs that are aligned with the National Education Policy-2020, emphasizing mathematical principles while ensuring a comprehensive integration of theoretical knowledge and practical application. With a diverse faculty specializing in areas such as queueing modelling, optimization problems, reliability analysis, non-linear dynamical systems, soft computing, image processing, commutative algebra, functional analysis, complex analysis and more, the department aims to address complex real-world problems. By fostering interdisciplinary collaboration and providing a solid foundation in both theoretical and applied mathematics, the department seeks to prepare students for successful careers in academia, industry, and research, while contributing to the broader scientific community. This commitment to academic rigor and research excellence not only prepares students for professional success but also contributes to advancements in the field of mathematics and its interdisciplinary applications.</p>									
Academic Programs Offered:	<ol style="list-style-type: none"> 1. M.Sc. in Mathematics (02 years programme) 2. Integrated B.Sc.-M.Sc. (Mathematics) 3. Ph.D. in Mathematics 									
Faculty Strength:	<table style="width: 100%; border: none;"> <tr> <td style="width: 50%;">1. Dr. Kamlesh Kumar, Prof. & Head</td> <td style="width: 50%;">2. DEPARTMENT OF CHEMISTRY AND CHEMICAL SCIENCES

Name of the School:	School of Basic and Applied Sciences
Name of the Department/Centre:	Department of Chemistry and Chemical Sciences
Year of Establishment	2016
Objective of the Department	<ol style="list-style-type: none"> 1. The diverse areas of specialization of faculty members, self-motivated students and high standard teaching-laboratory facilities are the crux of the department. 2. To expand and promote scientific awareness and collaborative research. 3. The Department of Chemistry and Chemical Sciences is also maintained the "NEP-2020" guidelines and strives to achieve success in its formulation w.e.f 2020. In the coming years, the department is sure to make its mark in the realm of chemistry along with the guidelines. 4. The faculty of the Department of Chemistry and Chemical Sciences always focused on the Innovative learning practices and practical's and make the students as such so that they can come with creative ideas. 5. The Department of Chemistry and Chemical Sciences focuses on the innovative research for sustainable future and international collaborative multidisciplinary research.
Academic Programme Offered:	<ol style="list-style-type: none"> 1. Integrated B.Sc. (Hons) M.Sc. Programme 2. Ph.D. Programme
Faculty Strength:	<ol style="list-style-type: none"> 1. Dr. Pawan Kumar, Prof. 2. Dr. Kamlesh Kumar, Associate Prof. 3. Dr. Sujata Kundan, Associate Prof. 4. Dr. Princy Gupta, Assistant Prof. 5. Dr. Akshay Kumar, Assistant Prof.
Staff	i) Mrs. Khyama Sharma; ii) Mr. Talwinder Singh
Research Focus Areas:	<ul style="list-style-type: none"> • Synthetic Organic Chemistry • Coordination and Bioinorganic Chemistry • Polymer Chemistry and Functional Materials
Infrastructure and Facilities:	<ol style="list-style-type: none"> 1. Digital classroom 2. Synthetic Chemistry Lab 3. Computational Chemistry Lab 4. Inorganic, Physical and analytical Chemistry Lab 5. Instrumentation facilities: UV-Visible Spectrophotometer, Microwave synthesizers, Rota evaporator, HPLC, High Performance Computer Clusters (HPCC), Work-Station, Different Commercial Software's.

DEPARTMENT OF SOCIAL WORK

Name of the School:	School of Humanities and Social Sciences
Name of the Department/Centre:	Department of Social Work
Year of Establishment	2014
Objective of the Department	The knowledge, values and skills which will be inculcated among our students will provide them a visionary thought process and leadership skills. Department will create an atmosphere of diverse intellectual discourse, whereby our young and energetic faculty through various innovative practices will engage with the students for holistic social development and growth of the nation as a whole.
Academic Programs Offered:	<ol style="list-style-type: none"> 1. M.A. Social Work (Major). 2. 4 year Integrated Bachelors in Social Work. 3. Disaster Management (Minor Degree). 4. NGO and Project Management (Minor Degree).
Faculty Strength:	<ol style="list-style-type: none"> 1. Dr. Nancy Mengi, Associate Professor & Head 2. Dr. Bhat Iqball Majeed, Assistant Professor 3. Dr. Vinay Kumar, Assistant Professor 4. Dr. Ranvir Singh, Assistant Professor 5. Mr. Fateh Lal Bheel, Assistant Professor
Research Focus Areas:	<ol style="list-style-type: none"> 1. Women and Child Protection, Urban Development, Health and Mental health. 2. Public Health, Tribal Studies, Cultural studies. 3. Climate Change Adaptation, Disaster Management, Community Engagements, Corporate Social Responsibility 4. Social Exclusion, Vulnerability Assessment, Equity in Health Care Provisioning and its Access, Social Determinants of Health, Food Security, Social Movements, Eco-System Services, Discordant Internet Usage. 5. Natural Resource Management ,Rural Development, Youth and Tribal Development related issues.
Infrastructure and Facilities:	<ol style="list-style-type: none"> 1. Dedicated field Work Unit. 2. Smart Class Rooms. 3. ICT supported teaching aids.

DEPARTMENT OF PUBLIC POLICY AND PUBLIC ADMINISTRATION

Name of the School:	Humanities and Social Sciences
Name of the Department/Centre:	Public Policy and Public Administration
Year of Establishment	2013
Objective of the Department	<ol style="list-style-type: none"> 1. To elevate academic standards and curriculum to ensure a comprehensive and cutting-edge education in public policy and administration. 2. To be a hub for impactful research, providing evidence-based insights to support informed policy decisions and effective governance. 3. To bridge the gap between theory and application by promoting applied learning through internships, fieldwork, and practical projects that forge strong connections with government agencies, non-profit organizations, and industry partners. 4. To foster a culture of ethical governance and inclusivity among students, faculty, and practitioners to contribute to transparent and accountable public administration.
Academic Programs Offered:	<ol style="list-style-type: none"> 1. MA in Public Policy and Public Administration (Duration: Four Semesters) (Post Graduate Diploma in Public Policy and Public Administration will be given if a candidate exits after one year as per NEP). 2. PhD in Public Policy and Public Administration
Faculty Strength:	<ol style="list-style-type: none"> 1. Prof. Santap Sanhari Mishra, Professor and Head 2. Dr. Rouchi Chaudhary, Associate Professor 3. Dr. Mohit Sharma, Assistant Professor 4. Dr. Sushil S. Kamble, Assistant Professor 5. Dr. Indra Pratap, Assistant Professor 6. Mr. Jai Bhawani Singh, Assistant Professor
Research Focus Areas:	<ol style="list-style-type: none"> 1. Public Policy Analysis 2. Governance Issues 3. Disaster governance and CSR 4. Social Policy and Affirmative Actions 5. Dynamics of Indian Politics and Governance 6. Local Governance in India
Infrastructure and Facilities:	<ol style="list-style-type: none"> 1. Smart Classroom 2. Summer Internship 3. Placement Assistance

DEPARTMENT OF ECONOMICS

Name of the School:	School of Humanities & Social Sciences
Name of the Department/Centre:	Economics
Year of Establishment	2011
Objective of the Department	<ul style="list-style-type: none"> • To provide basic knowledge of concepts, theories, principles, data and practices in Economics, • To help students learn to apply economic principles to real-world issues and situations, • To develop critical thinking among students while engaging in examination of perspectives as well as data evaluation and analysis, • To develop skills of data collection, processing and interpretation using latest software among the students, • To prepare students for careers in government, industry, civil society organization and other professions.
Academic Programs Offered:	<ol style="list-style-type: none"> 1. Five year Integrated B.Sc. - M.Sc. in Economics 2. Ph.D.
Faculty Strength:	<ol style="list-style-type: none"> 1. Dr. Aswini Kumar Nanda, Professor & Head 2. Dr. Shaveta Kohli, Associate Professor 3. Dr. Susanta Nag, Associate Professor 4. Ms. Preeti Gupta, Assistant Professor 5. Mr. Anil Kumar Bharti, Assistant Professor 6. Dr. Vishal, Assistant Professor 7. Dr. Anooj Bhadu, Assistant Professor
Research Focus Areas:	<ol style="list-style-type: none"> 1. Agricultural Economics 2. Development Economics 3. Health Economics 4. Population Economics 5. Gender Economics
Infrastructure and Facilities:	<ol style="list-style-type: none"> 1. Well-equipped library 2. Thematic databases in economics 3. Data Computing Lab (forthcoming)
<p>Contact Information: Head of the Department: Prof. Aswini Kumar Nanda Email: hod.eco@cuajammu.ac.in Phone: 9417726357 Website: www.cuajammu.ac.in</p>	

DEPARTMENT OF DEFENCE AND STRATEGIC STUDIES

Name of the School:	National Security Studies
Name of the Department/Centre:	Defence and Strategic Studies
Year of Establishment	2013
Objective of the Department	<ul style="list-style-type: none"> • To develop the critical analytical skills among the next generation, creating robust pool of experts in national security and strategic studies. • To establish a dynamic platform for continuous interaction among the students/scholars of the department and collaboration between military professionals, strategic thinkers and academics to cultivate a vibrant strategic culture. • To provide academic and research-based insights to the Indian security establishments and policy makers through collaboration initiatives.
Academic Programs Offered:	<ol style="list-style-type: none"> 1. UG- Defence and Strategic Studies 2. PG- Defence and Strategic Studies 3. Ph.D. (Full-Time & Part-Time)
Faculty Strength:	<ol style="list-style-type: none"> 1. Dr. Neeta Rani, Associate Professor & Head 2. Dr. R. Sudhakar, Associate Professor 3. Dr. Ekta Manhas, Assistant Professor 4. Dr. Anuradha Choudhary, Assistant Professor 5. Dr. Prasanta Kumar Sahu, Assistant Professor 6. Dr. Tilak Raj Sharma, Assistant Professor
Research Focus Areas:	<ol style="list-style-type: none"> 1. Border security management 2. Non-traditional security threats 3. Internal Security & counter terrorism 4. Conflict analysis and peace studies 5. Foreign policy 6. Maritime Security- Indo Pacific 7. Regional Conflicts/Politics (West Asia & South Asia) 8. Gender and Security Studies 9. Civil-Military Relations 10. Defence Policy and Planning
Infrastructure and Facilities:	<ol style="list-style-type: none"> 1. Well-equipped library 2. Smart Classrooms 3. WiFi
Contact Information: Head of the Department: Dr. Neeta Rani Email: hod.nss@cuajammu.ac.in , office.nss@cuajammu.ac.in Phone: 6283111816 Website: https://www.cuajammu.ac.in/department/departmentHome/SNSS/NSS/	

DEPARTMENT OF MASS COMMUNICATION AND NEW MEDIA

Name of the School:	School of Knowledge Management, Information and Media Studies
Name of the Department/Centre:	Department of Mass Communication and New Media
Year of Establishment	2014
Objectives of the Department	<ul style="list-style-type: none"> • To introduce courses as per the needs of the time with cutting edge technological skills required. • To provide specialized training to students to choose their specific career goals. • To facilitate employment opportunities/placements for students in various media and non-media institutions. • To bridge the gap between theories and practices of media so that students are motivated to become critical and professional in their specialised areas. • To organize training programmes and provide field exposure to students.
Academic Programs Offered:	<ul style="list-style-type: none"> • MA in Mass Communication and New Media (2-years full-time PG programme) • Doctoral programme (PhD) • BA (Honours) in Journalism and Mass Communication (4-years full-time UG programme proposed)
Faculty Strength:	<ol style="list-style-type: none"> 1. Prof. Paramveer Singh, Professor 2. Dr. Abhay SD Rajput, Associate Professor and Head 3. Dr. Umesh Kumar, Associate Professor 4. Dr. Rashid Ali, Assistant Professor 5. Mr. Manish Prakash, Assistant Professor
Research Focus Areas:	<ul style="list-style-type: none"> • Mass Communication and Journalism • AI and Digital (New) Media • Media/Film Studies • Developmental Communication • Language and Intercultural Communication • Health and Family Communication • Science Communication • IKS in Communication • Fake News, Misinformation, AI and Deepfakes
Infrastructure and Facilities:	<ul style="list-style-type: none"> • Advanced Media Equipment • Video and Audio Editing Systems • Community Radio and Studio
Contact Information: Head of the Department: Dr. Abhay SD Rajput Email: office.mcnm@cuajammu.a.c.in , hod.mcnm@cuajammu.ac.in Phone: 9764804068 Website: https://cuajammu.ac.in/department/departmentHome/SKMIMS/MCNM/	

CENTRE FOR COMPARATIVE RELIGIONS AND CIVILIZATIONS

Name of the School:	School of Social Sciences
Name of the Department/Centre:	Centre for Comparative Religions and Civilizations
Year of Establishment	July 2016
Objective of the Department	<ul style="list-style-type: none"> ❖ To study, compare, and research various religions and civilizations of the world, ❖ To make students aware of the points of convergence of different religions and civilizations, to bring out the salient features of different religious traditions, and value systems, ❖ To offer various study programs to chart out the paths for the co-existence of humanity, ❖ To create a dynamic and inclusive knowledge system where the ancient systems of Indian traditions meet contemporary thought promoting holistic development and global thought worldwide and understanding. ❖ To deal with all religions and their different aspects such as traditions, arts, architecture, literature, and philosophical traditions which are already included in the curriculum of the course. The centre included almost all aspects of Indian Knowledge Systems in its program, ❖ To understand the distinction between Dharma and Religion.
Academic Programs Offered:	<ol style="list-style-type: none"> 1. M.A in Comparative Religion and Civilizations 2. B.A in Religious Studies
Faculty Strength:	<ol style="list-style-type: none"> 1. Dr. Niranjna Bhandari – Professor and Director 2. Dr. Arvind Rituraj- Associate Professor 3. Dr. Ajay Kumar Singh- Assistant Professor 4. Dr. Ashwani Kumar- Assistant Professor 5. Dr. Amita Gupta- Assistant Professor 6. Dr. G.V. Snigdha Raj- Assistant Professor
Research Focus Areas:	<ol style="list-style-type: none"> 1. Religions and Civilizations 2. Philosophy, Buddhism, Sociology, Anthropology & History.
Infrastructure and Facilities:	<ol style="list-style-type: none"> 1. One classroom of 20 seating capacity 2. Library (Central) 3. Seminar Hall
<p>Contact Information: Head of the Department: Prof. Niranjna Bhandari, Director Email: dir.ccrcc@cuajammu.ac.in/Office.ccrcc@cuajammu.ac.in Website: https://www.cuajammu.ac.in/department/departmentHome/SHSS/CCRC/ Phone: 9418229558.</p>	

DEPARTMENT OF ZOOLOGY

Name of the School:	LIFE SCIENCES
Name of the Department/Centre:	DEPARTMENT OF ZOOLOGY
Year of Establishment	2016
Objective of the Department	The Department of Zoology curriculum aligned with NEP 2020, emphasizes multidisciplinary education. The department aims at methodological and research-oriented teaching to develop the analytical ability, skill enhancement and aptitude of its students to carry interdisciplinary research and independent projects. It focuses on hands-on experience, digital resources, traditional Indian knowledge, and sustainability. Flexibility in electives, industry linkages, continuous assessment, and skill development prepare students for diverse careers in zoology.
Academic Programs Offered:	<ol style="list-style-type: none"> 1. Integrated B.Sc. - M.Sc. Zoology 2. M.Sc. Zoology 3. Ph.D. Zoology
Faculty Strength:	<ol style="list-style-type: none"> 1. Prof. Swarkar Sharma, Professor 2. Dr. Ashok Kumar Yadav, Associate Professor & Head 3. Dr. Dhanananjay Kumar, Associate Professor 4. Dr. Shvetambri Jasrotia, Assistant Professor 5. Dr. Anjali Dhar, Assistant Professor 6. Dr. Vinita Sharma, Assistant Professor 7. Dr. Stanzin Ladol, Assistant Professor
Research Focus Areas:	<ol style="list-style-type: none"> 1. Probiotic, Microbial metabolites, Gut-Brain Axis and human health 2. Chronobiology and Metabolism 3. Entomology, Aquaculture and Fisheries 4. Wildlife Conservation
Infrastructure and Facilities:	<ol style="list-style-type: none"> 1. Molecular and Microbiology lab equipped with basic and high-end facilities i.e. PCR, Electrophoretic units, Spectrophotometer, Microtome, Light Microscopes, Laminar flow hoodsetc. 2. Animal Tissue culture: Biosafety Hood, CO2 Incubator, Electroporator, Cell counter, Inverted Microscope etc.
Contact Information: Head of the Department: Dr. Ashok Kumar Yadav Email: hod.zool@cujammu.ac.in Phone: +918008073163 Website: https://www.cujammu.ac.in/department/departmentHome/SLFS/ZOOL/	

DEPARTMENT OF BOTANY

Name of the School:	Life Sciences						
Name of the Department/Centre:	Botany						
Year of Establishment	2016						
Objective of the Department	<p>The Botany Department at the Central University of Jammu aims to advance the frontiers of botanical science through high-quality education and innovative research. Our objective is to foster a comprehensive understanding of plant biology by addressing fundamental and applied aspects of botany, with a special focus on the unique biodiversity and ecological challenges of the Union Territory of Jammu and Kashmir, and beyond.</p> <p>By integrating education, research, and community outreach, the department aspires to nurture future botanists and contribute to societal well-being and environmental sustainability.</p>						
Academic Programs Offered:	<ol style="list-style-type: none"> 1. Integrated B.Sc. - M.Sc. in Botany 2. M.Sc. Botany 3. Ph.D. Botany 						
Faculty Strength:	<ol style="list-style-type: none"> 1. Prof. B.S. Bhau, Professor 2. Dr. Yogesh Kumar, Associate Professor & Head 3. Dr. Deepak Bhardwaj, Associate Professor 4. Dr. Samantha Vaishnavi, Assistant Professor 5. Dr. Vikas Srivastava, Assistant Professor 6. Dr. Ashok Kumar, Assistant Professor 7. Dr. Sapna Devi, Assistant Professor 						
Research Focus Areas:	<table style="width: 100%; border: none;"> <tr> <td style="width: 50%;">1. Plant Systematics</td> <td style="width: 50%;">2. Plant Stress Biology</td> </tr> <tr> <td>3. Phytochemistry</td> <td>4. Plant Virology</td> </tr> <tr> <td>5. Cell Signalling</td> <td>6. Genetic Markers</td> </tr> </table>	1. Plant Systematics	2. Plant Stress Biology	3. Phytochemistry	4. Plant Virology	5. Cell Signalling	6. Genetic Markers
1. Plant Systematics	2. Plant Stress Biology						
3. Phytochemistry	4. Plant Virology						
5. Cell Signalling	6. Genetic Markers						
Infrastructure and Facilities:	<ol style="list-style-type: none"> 1. Advanced Research Equipment: The department features a plant tissue culture facility, PCR machines, electrophoresis systems, and tools for molecular and data analysis. 2. Extensive Library Resources: A rich collection of botanical literature with access to digital databases and journals. 3. Field Research Facilities: Hands-on studies of plant diversity and ecological systems. 						
<p>Contact Information: Head of the Department: Dr. Yogesh Kumar Email: [office.bot@cujammu.ac.in; hod.bot@cujammu.ac.in] Phone: 7780889342 Website: https://cujammu.ac.in/department/departmentHome/SLFS/BOT/</p>							

DEPARTMENT OF ENVIRONMENTAL SCIENCES

Name of the School:	School of Life Sciences
Name of the Department/Centre:	Department of Environmental Sciences
Year of Establishment	2012
Objective of the Department	<ul style="list-style-type: none"> • To assess and evaluate the knowledge of environmental issues on regional, national and global scale. • To develop a platform between academia and industry for interdisciplinary collaborative research focused on environmental issues • To conduct interdisciplinary research for understanding the processes that model our environment. • To assess and improve the quality of soil, air, water, and life with regional, national and international perspectives. • To create awareness amongst the masses for comprehending and mitigating the environmental problems.
Academic Programs Offered:	<ol style="list-style-type: none"> 1. Integrated B.Sc. (Hons)-M.Sc. (Environmental Sciences) 2. M.Sc. Environmental Sciences 3. Ph.D. Environmental Sciences
Faculty Strength:	<ol style="list-style-type: none"> 1. Dr. Richa Kothari, Professor & Head 2. Dr. Deepak Pathania, Professor 3. Dr. Sunil Dhar, Professor 4. Lt Dr. Pankaj Mehta, Assistant Professor 5. Dr. Shweta Yadav, Assistant Professor 6. Dr. Dinesh Kumar, Assistant Professor 7. Dr. Ankit Tandon, Assistant Professor
Research Focus Areas:	Renewable Energy Options, Water Quality Resource Treatment Options, Natural Resource Management, Green Technologies, Atmospheric Sciences and climate change, Environmental Geosciences, Solid Waste Management and disaster management and mitigation.
Infrastructure and Facilities:	<ol style="list-style-type: none"> 1. DST-FIST sponsored lab facilities (Center for Bioenergy) 2. Himalayan Aerosol Research (HARI) Facility 3. Laboratories equipped with high-end instrumentation
Contact Information: Head of the Department: Prof. Richa Kothari Email: hod.evs@cuajammu.ac.in Phone: +91-7006003549 Website: https://www.cuajammu.ac.in/departement/departementHome/SLFS/EVS/	

CENTRE FOR MOLECULAR BIOLOGY

Name of the School:	School of Life Sciences
Name of the Department/Centre:	Centre for Molecular Biology
Year of Establishment	2016
Objective of the Department	The Centre for Molecular Biology at the Central University of Jammu is engaged in imparting quality education, conducting research, and developing entrepreneurial strengths in biotechnology using molecular biology tools to advance the understanding of mechanisms and solutions to pathogenesis, environmental problems, and global health for sustainable development.
Academic Programs Offered:	1. M.Sc. Biotechnology (DBT sponsored and CUET) 2. Ph.D. Biotechnology
Faculty Strength:	1. Dr. Narendra K Bairwa, Associate Professor and Director 2. Prof. Mushtaq Ahmed, Professor 3. Dr. Praveen Mehta, Associate Professor 4. Dr. Audesh Bhat, Assistant Professor 5. Dr. Shelly Sehgal, Assistant Professor 6. Dr. Sudhir Singh, Assistant Professor 7. Dr. Fareeda Akhtar, Assistant Professor
Research Focus Areas:	1. Genome editing, bio-design, gene and protein network analysis 2. Molecular Diagnostic and Human Genetics 3. Human disease Biology and Precision medicine 4. Microbial and Enzyme Technology 5. Bioinformatics and Biocontrol agents, Environmental Biotechnology 6. Bacterial Genetics and Molecular Microbiology 7. Nanobiotechnology and Stress Physiology 8. Non-communicable disease pathogenesis understating
Infrastructure and Facilities:	1. Basic and advanced infrastructural facility for education and research in the focused areas 2. Advanced Central Instrumentation facility at CUJ
<p>Contact Information:</p> <p>Head of the Department: [Dr. Narendra K Bairwa, Associate Professor]</p> <p>Email: [dir.molb@cujammu.ac.in; office.molb@cujammu.ac.in]</p> <p>Phone: [8492090075 and 9596281073]</p> <p>Website: https://cujammu.ac.in/department/departmentHome/SLFS/MOLB</p>	

DEPARTMENT OF PHYSICS AND ASTRONOMICAL SCIENCES

Name of the School:	School of Basic and Applied Sciences		
Name of the Department/Centre:	Physics and Astronomical Sciences		
Year of Establishment	2016		
Objective of the Department	<ol style="list-style-type: none"> 1. To develop state of art experimental and computational facilities to serve the need of teaching and research. 2. To have faculty members with diverse research background. 3. To expand and promote scientific awareness and collaborative research. 4. To produce Master and Ph.D. students of best quality. 5. To participate in interdisciplinary activities to solve problems. 		
Academic Programs Offered:	<ol style="list-style-type: none"> 1. UG – PG Integrated Course: Five Year Integrated B.Sc. (Hons / Research) - M.Sc. Physics (4+1 years) 2. Ph.D. 		
Faculty Strength:	<table style="width: 100%; border: none;"> <tr> <td style="width: 50%; vertical-align: top;"> <ol style="list-style-type: none"> 1. 04 Professors <ol style="list-style-type: none"> i) Prof. Vinay Kumar ii) Prof. Suram Singh iii) Prof. Balaji Rao Ravuri iv) Prof. Kamni 2. 02 Associate Professors <ol style="list-style-type: none"> i) Dr. Praveen Kumar ii) Dr. Ashish Kumar </td> <td style="width: 50%; vertical-align: top;"> <ol style="list-style-type: none"> 3. 06 Assistant Professors <ol style="list-style-type: none"> i) Dr. Vishal Singh ii) Dr. Tanuj Kumar iii) Dr. Pragati Kumar iv) Dr. Amit Tomar v) Dr. Onkar Nath Verma vi) Dr. Manvi Rajput </td> </tr> </table>	<ol style="list-style-type: none"> 1. 04 Professors <ol style="list-style-type: none"> i) Prof. Vinay Kumar ii) Prof. Suram Singh iii) Prof. Balaji Rao Ravuri iv) Prof. Kamni 2. 02 Associate Professors <ol style="list-style-type: none"> i) Dr. Praveen Kumar ii) Dr. Ashish Kumar 	<ol style="list-style-type: none"> 3. 06 Assistant Professors <ol style="list-style-type: none"> i) Dr. Vishal Singh ii) Dr. Tanuj Kumar iii) Dr. Pragati Kumar iv) Dr. Amit Tomar v) Dr. Onkar Nath Verma vi) Dr. Manvi Rajput

DEPARTMENT OF MARKETING AND SUPPLY CHAIN MANAGEMENT

Name of the School:	School of Business Studies
Name of the Department/Centre:	Marketing and Supply Chain Management
Year of Establishment	2016
Objective of the Department	The vision and objective of the department is to produce Management Graduates who can contribute in the development and growth of public as well as private sector around the globe. The department is committed to equip the students with latest skills, to understand and apply key marketing concepts, through proper online as well as offline training. Above all, the department envisions to be amongst top B-Schools in next 5 years.
Academic Programs Offered:	<ol style="list-style-type: none"> 1. MBA (Marketing Management) 2. PhD in Marketing Management
Faculty Strength:	<ol style="list-style-type: none"> 1. Dr. Neelika Arora, Head & Associate Professor 2. Dr. Shahid Mushtaq, Assistant Professor 3. Dr. Naresh Kumar, Assistant Professor 4. Dr. Anju Thapa, Assistant Professor 5. Dr. Arun Yadav, Assistant Professor
Research Focus Areas:	<ol style="list-style-type: none"> 1. Digital Marketing 2. Brand Equity 3. Consumer Behaviour 4. Green/Sustainable Marketing 5. Ethical Marketing 6. Supply Chain
Infrastructure and Facilities:	<ol style="list-style-type: none"> 1. Smart Classrooms 2. Book Bank Facility 3. Highly Experienced Faculty 4. Intense Grooming through Various Training 5. On-Job Training in Last Semester
Contact Information: Head of the Department: Dr. Neelika Arora Email: [office.mscm@cujammu.ac.in] Phone: 9419235225 Website: www.cujammu.ac.in	

DEPARTMENT OF TOURISM AND TRAVEL MANAGEMENT

Name of the School:	School of Business Studies
Name of the Department/Centre:	Department of Tourism and Travel Management
Year of Establishment	2012
Objective of the Department	<ol style="list-style-type: none"> 1. To evolve as a knowledge production centre capable of restructuring research traditions and developing innovative scholarship in the field of tourism management and studies. 2. To provide students with a rewarding learning experience that enables them to build their intellectual capacity, enhance knowledge and skills to make meaningful, professional and societal contribution. 3. To develop quality human resource for tourism and allied sectors. 4. To provide consultancy to the nodal agencies that aids in effective policy development by providing strategic input based upon cutting edge research. 5. To promote sustainable and equitable development of tourism by encouraging democratic participation among all the stakeholders.
Academic Programs Offered:	<ol style="list-style-type: none"> 1.MBA (Tourism & Travel Management) 2.Ph.D. (Tourism & Travel Management)
Faculty Strength:	<ol style="list-style-type: none"> 1. Dr. Ranjeet Kumar Raman, Associate Professor & Head 2. Dr. Mahendra Singh, Associate Professor 3. Dr. Amit Gangotia, Sr. Asst. Professor 4. Dr. Bharti Gupta, Sr. Asst. Professor 5. Mr. Rahul Thakur, Asst. Professor 6. Mr. Biswabhusan Pradhan, Asst. Professor 7. Dr. Rabinder Singh, Asst. Professor
Research Focus Areas:	Destination Management, Digital Marketing, Consumer Behavior, Influencer Marketing, Sustainable Tourism, Resilience and Climate Change, Hotel & Hospitality, Gastronomic Tourism, Sustainable Tourism, Rural Tourism, Folk & Cultural Heritage of India, Tourism trends, Tourism and Digital India, Cultural and heritage tourism, creative tourism, sustainable tourism, spiritual, peace and pilgrimage tourism, Community Based Tourism, Smart Tourism Experiential Tourism and Tourism Education.
Infrastructure and Facilities:	<ol style="list-style-type: none"> 1. Two classrooms 2. Smart Boards in Classrooms 3. Campus Wi-Fi
Contact Information: Head of the Department: Dr. Ranjeet Kumar Raman Email: hod.ttm@cujammu.ac.in , ranjeet.ttm@cujammu.ac.in , Phone: +918713091751 Website: www.cujammu.ac.in	

DEPARTMENT OF HRM & OB

Name of the School:	School of Business Studies
Name of the Department/Centre:	HRM&OB
Year of Establishment	2013
Objective of the Department	To nurture thought leaders with unflinching commitment and integrity to attain academic excellence in Management for serving business and society through entrepreneurial talent and research.
Academic Programs Offered:	1.MBA 2.PhD
Faculty Strength:	1. Dr. Jaya Bhasin, Professor 2.Dr. Anjali Pathania, Assistant Professor 3.Dr. Gowhar Rasool, Assistant Professor 4. Dr. Asif Ali, Assistant Professor 5. Dr. Susmita Ekka, Assistant Professor
Research Focus Areas:	HR/Marketing/Finance/Entrepreneurship /Behavioural Science
Infrastructure and Facilities:	Common facilities as per University Norms.

COMMUNITY COLLEGE

Name of the College/ Department	Community College
Year of Establishment	2015
Objective of the Department	<ul style="list-style-type: none"> • To offer vocational degree programs with multiple entry and exit options, enabling students to progress at their own pace while acquiring both technical and general education skills. • To implement a competency-based curriculum designed in collaboration with the National Skill Development Corporation (NSDC) of India and Sector Skill Councils (SSCs), ensuring structured learning across multiple qualification levels. • To promote an entrepreneurial ecosystem by bridging the skills gap, promoting innovation, and contributing to socio-economic development through capacity-building and outreach initiatives. • To establish strong industry collaborations for training and placements, ensuring students gain hands-on experience and get job-ready.
Academic Programs Offered:	<ol style="list-style-type: none"> 1. B.Voc. (Banking & Financial Services) 2. B.Voc. (Retail Management) 3. B.Voc. (Tourism Management)
Faculty Strength:	<ol style="list-style-type: none"> 1. Dr. Naresh Kumar, Principal 2. Dr. Shahid Mushtaq, Nodal Officer
Research Focus Areas:	<ol style="list-style-type: none"> 1. Skill-based Education 2. Inclusive Growth 3. Services Marketing 4. Retail Management 5. Financial Services 6. Tourism Management
Infrastructure and Facilities:	<ol style="list-style-type: none"> 1. Well-equipped library 2. Classes equipped with interactive panel 3. Retail Lab
<p>Contact Information: Dr. Naresh Kumar Principal, Community College Email: principal.cc@cujammu.ac.in, office.cc@cujammu.ac.in Phone: 9419308363 Website : https://www.cujammu.ac.in/department/departmentHome/SBUSS/CC/</p>	

DEPARTMENT OF EDUCATIONAL STUDIES

Name of the School:	School of Education
Name of the Department/Centre:	Department of Educational Studies
Year of Establishment	2012
Objectives of the Department	<p>The Department of Educational Studies (DES) is dedicated to creating a strong community of skilled teacher educators with deep roots in tradition while preparing them for the future. The department has several objectives:</p> <ul style="list-style-type: none"> • Promote Academic Excellence: DES aims to provide high-quality education and cultivate a community of educators who have a strong theoretical foundation in the field of education. These educators should be capable of critically analyzing and applying the knowledge they've gained. • Lead in Research: The department strives to be a hub for research, conducting practical studies and nurturing competent researchers and education practitioners. • Train Educational Managers: DES is committed to training individuals who can effectively manage educational institutions and themselves, ensuring smooth operations in education. • Collaborate with Others: The department seeks to collaborate with other educational institutions to share expertise in teaching technologies, research methodologies in social sciences, and academic management. <p>DES is all about preparing educators with a strong educational foundation, research skills, and managerial abilities while fostering partnerships with other educational institutions.</p>
Academic Programs Offered:	<ol style="list-style-type: none"> 1. Ph.D. in Education 2. Master in Education (M.Ed.) 3. Integrated B.A. B.Ed. (Four Years)
Faculty Strength:	<ol style="list-style-type: none"> 1. Dr. Asit K. Mantry, Professor & Head 2. Dr. J N Baliya, Professor 3. Dr. Ritu Bakshi, Professor 4. Dr. Kiran, Assistant Professor 5. Dr. Aman, Assistant Professor 6. Dr. Ravi Vanguri, Assistant Professor 7. Dr. Yad Ram, Assistant Professor 8. Dr. Mohan Galgotra, Assistant Professor

<p>Research Focus Areas</p>	<p>The Department is in the process of developing core competencies in research in the following areas:</p> <ol style="list-style-type: none"> 1. Educational Leadership and Management 2. Inclusive Education 3. Teacher Education 4. Information and Communication Technology (ICT) in Education 5. Educational Sociology 6. Educational Psychology 7. Secondary Education 8. Elementary Education 9. Language Education 10. Integral Education
<p>Infrastructure and Facilities</p>	<ol style="list-style-type: none"> 1. Educational Psychology Resource Centre: This laboratory is designed to allow teacher trainees to conduct psychological experiments and essential research activities. It is equipped with a variety of psychological tests, scales, instruments, and interactive whiteboards. The laboratory is Wi-Fi enabled, providing teacher trainees and research scholars with the necessary resources to conduct experiments and research in the field of psychology. 2. ICT Resource Center: The department boasts a well-equipped educational technology laboratory where teacher trainees and research scholars can practice different technology-enhanced teaching methods and carry out practical classes. This laboratory is also utilized for simulated teaching to improve teaching skills. It features modern technological tools such as a digital podium, interactive whiteboard, e-notice board, and a short-throw projector (STP), aiding teacher trainees in mastering digital tools. 3. Classrooms: The department's classrooms are well-equipped, air-conditioned, Wi-Fi-enabled, and feature interactive whiteboards to facilitate effective teaching and learning. 4. Social Science Resource Centre: This center is equipped with various instruments to give practical exposure to the teacher trainees about geography and other social science subjects.
