

CENTRAL UNIVERSITY OF JAMMU

J2M7+P5P, BAGLA SUCHANI, JAMMU AND KASHMIR - 181143

Date: 17- May' 2023

Draft: Establishment of a Sports Society at the Central University of Jammu

Name of the SOCIETY: Sports Society - CUJammu

The Purpose of establishment and the main Objectives of the SOCIETY are:

1. Creating a community for students whom are passionate about Sports and to connect with one another.
2. Providing opportunities for students to participate in competitive Sports and tournaments both on and off campus.
3. Fostering personal and professional growth by developing valuable skills such as teamwork, communication, problem solving and strategic thinking.
4. Promoting healthy sportsmanship and encourage responsible sportsmanship behaviour among members.
5. Establishing a positive reputation for the university by representing the University in Inter and Intra university Sports competitions and events.
6. Creating opportunities for students to learn about and explore potential career paths in the Sports field.
7. Collaborating with other clubs and organizations on campus to host joint events and fundraisers.
8. Creating a welcoming and inclusive environment for students of all courses, backgrounds and identities to engage in distinct sporting events being held.

The Plans that we would look forward to implement under this SOCIETY:

1. Forming a committee of interested students and faculty members to oversee the establishment of the society.
2. Conducting a regular survey to gauge interest in the society and gather information on preferred sports, sports platforms, and potential events.
3. Development of a code of conduct that emphasizes responsible sportsmanship behaviour and creates a safe and inclusive environment for all members.
4. Hosting/ Organizing regular meetings and sports sessions weekly and bi-weekly to build a community and develop skills of each other.
5. Organizing workshops and guest speaker events to provide educational opportunities related to individual sport.

6. Participation in Sports tournaments and events, both on and off campus, to represent the university and build its reputation.
7. Collaboration with other society and organizations on campus to host joint events and fundraisers.
8. Maintaining an online presence through social media to promote the society and its activities.
9. Providing access to sports equipment and resources for students who may not have access to these.
10. Foster personal and professional growth by developing valuable skills such as teamwork, communication, adaptability and collaboration.
11. Securing funding from the university and external sources to support the society's activities and events.
12. Organizing multiple kick-off events to build excitement and enthusiasm for the society, and to attract new members.

By following these points, the plan to establish a Sports Society at a university can create a welcoming and inclusive community for students who are passionate about different sports and athletics, and provide opportunities for personal and professional growth through the development of valuable skills such as teamwork, communication, problem solving, strategic thinking and critical thinking.

To achieve the stated objectives and its implementation, we would require the following support from the university:

- Use of university facilities, such as meeting rooms and sports equipment, for society meetings and events.
- Funding to cover society expenses, such as equipment purchases and event costs.
- Support for the society's efforts to promote responsible sportsmanship behaviour.
- Recognition as an official university society, with access to university resource and support.
