

Jammu 15th May: The Department of HRM&OB, Central University of Jammu organized session for MBA students in collaboration with AIESEC India. Trainers from AIESEC (IIT Delhi Chapter) delivered lecture on career opportunity in global scenario.

The trainers presented the details about various opportunities available in international market for the students pursuing MBA . During four hour session , in-depth discussion was taken up on various aspects related to personality grooming , exploring career options and preparing the individual to face not only national but international assignments were discussed by experts.

Earlier during the day Dr. Jaya Bhasin, Head HRM & OB welcomed the experts and apprised that it is as per the directions of Honourable Vice Chancellor Prof. Ashok Aima that such sessions are being organized. This particular session, she said , a second in line were in the first session was delivered on 13 May by Mr. Deepak Manchanda , Academy of Learning Canada . She further informed that Central University of Jammu under its student exchange programme will be providing such trainings for international students also in the month July 2016. She informed that due to such initiatives the Department has provided 100 percent placements as well as paid summer internship to all the students of department. Pertinent to mention here, earlier during the day a placement drive was also organised wherein five students were selected for Global Business Solutions. Mr . Gowhar Rasool and Mr. Asif Ali coordinated the event. Dr Shahid Mushtaq presented formal vote of thanks
